This program is designed to provide career mobility for persons who have successfully completed a practical nursing program. It prepares the student for the practice of registered professional nursing as defined in the Illinois Nurse Practice Act. This program does not maintain an open door policy. Admission to the program requires a separate application and test. Upon satisfactory completion of the program, the student will be eligible to write the NCLEX-RN Examination. Current CPR certification must be held at the time of admission good through the completion of the nursing coursework.

Shawnee Community College’s nursing program will transfer into various Bachelor of Science (BSN) programs. Interested students should seek advisement before graduating.

Registered Nurses:
Earn a median yearly salary of $51,300 in Illinois, compared to $54,700 nationwide. The employment outlook is +19% in Illinois, and +29% in the US by 2014.
