Quick Facts about SCC:

Enrollment: 8,275

Average Class Size: Less than 25

In-District Counties: Alexander, Johnson, Massac, Pulaski and Union counties with part of Jackson county.

Collar Counties: Ballard, Livingston and McCracken, Kentucky

Accredited by: North Central Association of Colleges and Schools through 2014.

Financial Aid: 83% of our students receive financial assistance.

Transfer Degrees
Associate of Arts
Associate to Science
Associate of Arts in Agriculture:
Plant and Soil Science
Animal Science
Business Management Education
AS Natural Resource Management
Elementary Education
Associate of Pre-Engineering
Associate of Engineering Science
Associate of Fine Arts
Music Education
Music Performance

Associate of Applied Science Degrees
Accounting
Administrative Assistant
Agriculture Business and Management
Alcohol and Other Drug Abuse
Associate Degree Nursing
Automotive Technology
Business Management
Computer Information Systems
Construction Craft Laborer Apprenticeship
Corrections Officer/Youth Supervisor
Corrections – Parole Officer
Cosmetology Technology
Criminal Justice Technology
Early Childhood Education
Electronic Technology
Fish and Wildlife Management
Health Information Technology
Information Process – Management
Information Process – Technician
Legal Administrative Assistant
Major Appliance Technology
Medical Administrative Assistant
Medical Lab Technologist
Occupational Therapy Assistant
Paraprofessional Educator
Power Systems Technician
Professional Inside Wireman
Social & Human Support Services
Veterinary Technology

ASSOCIATE OF SCIENCE

NATURAL RESOURCE MANAGEMENT
Transfer tracks in the ANRP are classified as Associate of Science (A.S.) in Natural Resource Management. An A.S. in Natural Resource Management is intended for those students planning to transfer to a related program of study at a four-year institution following the completion of their A.S. degree at SCC.

To transfer into a baccalaureate or 4-year degree program in agriculture as a junior, students need to complete a minimum of 60 credit hours. Students are strongly encouraged to complete an A.S. degree prior to transfer. Since admission is competitive, completion of the recommended courses does not guarantee admission.

Due to variations in expectations of partner universities, students are advised to notify academic advisors of the four-year institution they are planning to transfer to upon their arrival at SCC. This will play a role in choosing course work. Students should plan their transfer programs with an advisory and program faculty member. The ANRP at SCC currently has established, working relationships with the following local, state and regional 4-year institutions:

- Southern Illinois University at Carbondale
- University of Illinois at Urbana-Champaign
- Murray State University at Murray, KY
- Southeast Missouri State University at Cape Girardeau, MO

Articulation efforts with these and other universities are continually in progress. It is critical that students explore their post-SCC destination and their requirements to enter that university. Students should consult with an academic advisor no later than the completion of their first semester at SCC.

Who Hires Natural Resource Professionals?
- Federal Agencies
- United States Forest Service (USFS)
- National Park Service (NPS)
- United States Fish and Wildlife Service (USFWS)
- Environmental Protection Agency (EPA)
- Natural Resources Conservation Service (NRCS)
- Bureau of Land Management (BLM)
- State Departments of Environmental Protection
- State Divisions of Forestry
- State Fish and Wildlife Conservation Agencies
- Soil and Water Conservation Districts (SWCD)
- The Forest Industry
- Non-profit Conservation Organizations (i.e. The Nature Conservancy, etc.)
- City, county and private parks and recreation facilities
- Urban forestry and natural resource departments
- Nature centers, botanical gardens, and zoos
- Utility companies

What can I do with a degree in Natural Resource Management?
- Conservation Scientists
- Environmental Engineers
- Fish and Game Wardens
- Foresters
- Forestry Technicians
- Gas and Oil Plant Operators
- Marine Biologists
- Mining Engineers
- Park Naturalists
- Water Treatment Plant Superintendents
- Zoologists
- Wildlife Biologists
- Park Ranger
- Urban Forester
- Geographic Information Systems Specialist
- Camp Director
- Tour Guide
- Outdoor Recreation Manager/Coordinator
- Environmental Educator
- Environmental Consultant
- And more!
