Social Work

Job Responsibilities:

- Social Workers provide social services and assistance to improve the social and psychological functioning of children and their families and to maximize the family well-being and the academic functioning of children.

- They assist parents, arrange adoptions, and find foster homes for abandoned or abused children.

- In schools, they address problems of teenage pregnancy, misbehavior, and truancy.

This is the program for YOU!

In the Social Work program at Shawnee Community College, students will be prepared for employment in agencies which provide social services to the community. This program is a TECH-PREP program. This program capstones to the rehabilitation program in the social work department at SIUC.
