

KIDZ COLLEGE - SPRING 2011

March 16: 4-6 p.m. Southern Illinois History (Grades 2-6)

Explore the history of the southern-most counties in Illinois. These counties include Pulaski, Alexander, Massac, Pope, Johnson, and Union. Our local geography is full of rich history and makes for an interesting study. This class will incorporate art, stories, and map-making! These hands-on activities make the study of local history fun.

Instructor: Travis Felker

March 30: 4-6 p.m. KIDZ Go Green at SCC! (Grades 2-6)

This environmental study includes a walking trip outdoors to the SCC Lake, where students will complete pH testing. They will take part in projects that simulate acid-rain. Students will also study the effects of fertilizer runoff. Prepare to have fun while learning a lot about environmental issues.

Instructor: Travis Felker.

April 4: 4-6 p.m. Art 101 Painting and Art History (Grades 2-6)

Jared Newman will be offering a study of painting throughout the ages in this painting/art history class for kids. This class will be fun and informative. Painting is a hobby you can enjoy all of your life. Give it a try on April 4 at SCC. Instructor: Jared Newman

April 18: 4-6 p.m. Art 102 Sketching and Drawing (Grades 2-6)

Join in the fun of this sketching and drawing class. On April 18 students will learn the basics of sketching and drawing, while using different mediums in the process. This is a great class for beginners or for those who want to build on what they learned in the fall section of Sketching and Drawing. Instructor: Jared Newman

April 21: 5-7 p.m. KIDZ in the Kitchen (Grades K-6)

Back by popular demand! KIDZ in the Kitchen is a cooking class that includes no-bake recipe that foster important skills such as following directions, reading, math and working cooperatively on a team. Join Jessica Harvell and team as they help you create some special treats for Easter! Sign up soon--this class will fill fast!

Instructor: Jessica Harvell

May 3: 4-6 p.m. Theatre 101: Lights, Sound, Stage (Grades K-6)

Tim Frizzell, speech instructor and director of plays at SCC will take you backstage to discover what it takes to produce a play. You will learn about staging and sound production as well as take part in some basic acting lessons. Mr. Frizzell has a fun afternoon planned to bring out the drama queen or king in you! Grab a friend and sign up soon-- this class will fill fast! Instructor: Tim Frizzell

May 5: 4-6 p.m. Scrapbooking 101/Mommy and Me Class (Grades K-6)

Attention all scrap bookers! This class is designed for beginning scrap bookers who want to learn how to artfully display their photos. Mom (or Dad or Grandparent) may join you for this arts and crafts experience. Bring 5-6 photos to class that you wish to display. Feel free to bring your own scrapbook, if you have one (although this is not required). Mrs. Corbit is an experienced scrap booker and is willing to share her crafty ideas to help you display your photos proudly! Instructor: Rebecca Corbit

May 6: 4-6 p.m. Computer KIDZ! (Grades 3-6)

Calling all computer kids...In this class you will learn how to build your very own webpage. You will also learn how to create a blog. This class is designed for kids in grades 3-6. Safety is first in learning technology skills at SCC. Jason Stalides has many great activities planned for May 6. Grab a buddy and sign up soon for this informative and fun computer session! Instructor: Jason Stalides
