

Message from the President

As a proud alumna of Shawnee Community College, I am especially delighted to welcome you to the college. Here at Shawnee, we are focused on your success. Your academic journey is important to us and we are here to serve and support you as you aspire to achieve your goals. We are your partners. Your success is our success.

The Shawnee community welcomes all students to an inclusive environment focused on academic excellence. We offer one of the most affordable tuition rates in Illinois and the Midwest. Whether you are a new high school graduate, beginning a degree later in life or attending to gain certifications or additional credentials, you have a place here at Shawnee.

As a high school student, I enrolled in Shawnee's dual enrollment program to earn a year of college credits. We continue that tradition of offering accessible courses at all levels to our community members. With convenient classes offered during the day and evening on our main campus, extension sites, and online, we are here to meet you where you are and take you where you aspire to be.

Our faculty and staff is fully committed to your success. We have renowned faculty who provide dynamic and innovative curriculum that addresses changing demands in industry. Upon completion of your degree or certificate program, you will leave Shawnee well prepared for the workforce or for transfer to a four-year college. Many of our courses are fully transferable to a four-year college or university and our counselors will help you with your transfer as you approach completion of your program.

Our staff are committed to ensuring that you are supported during your time at Shawnee. Staff members believe in your dreams and work earnestly to provide resources and on time feedback on queries to assist you from the moment you decide to enroll to program completion. Reach out and connect with us; we understand that you may need additional support along the way.

Take the first step to realizing your goals by enrolling at Shawnee. When you join our community of life-long learners, you will develop lasting friendships with peers and strong ties with faculty and staff. All of us at Shawnee Community College are here to help you prepare for the next steps in your academic and professional career. Please spend some time getting to know our community. Call or come in to the main campus near Ullin or any of our extension centers located in Anna, Cairo, or Metropolis, Illinois.

I am a testament to what a Shawnee degree can do for you. I look forward to seeing you on campus to hear about your classes and your progress as you work to fulfill your dreams.

I did it and so can you.

FINANCIAL ASSISTANCE PROGRAM

The purpose of the financial assistance program is to provide financial aid to students who, without such aid, would be unable to attend college. Financial assistance at Shawnee Community College is available in the form of scholarships, grants, part-time employment, and private loans to meet a student's financial need.

Financial need is generally considered to be the difference between one year's educational expenses (tuition and fees, books, room and board, transportation costs, etc.) as determined by an average student's budget, and the student's resources for the same period. Student resources are expected to include assistance from parents, guardians, relatives, personal savings, other scholarships, grants, and personal earnings. Students are responsible for providing from their own, and their families' resources as much of their educational expenses as possible.

Academic Year

The Shawnee Community College academic year for all financial aid programs is defined as one fall semester and one spring semester; each including a minimum of 15 weeks of instruction and during which a full-time student earns a minimum of 12 credit hours each semester. All programs, even those utilizing semester terms with multiple starting dates, fall under this definition. The summer semester ends the preceding academic year.

Each semester (fall, spring, and summer) is considered a payment period for financial aid purposes. Financial aid payments are made to each eligible enrolled student at least once each fall and spring semester. Pell payment may also be made for the summer semester if the student has funding remaining for the academic year.

All financial aid disbursements are made based on the same credit hour requirements, including summer disbursements (i.e.: 12 eligible hours or more equals full-time; 9-11 eligible hours equals three-quarter time; 6-8 eligible hours equals half-time; and 5 eligible hours or less equals less-than-half-time). This conforms to the Department of Education's Title IV Policy.

Federal Pell and Federal SEOG disbursements to student's accounts, and to students, are made around a week after midterm of the student's semester; they are based upon the actual eligible hours the student is enrolled on the published Pell Status Date.

Financial Aid Processing

Processing of a student's financial aid begins when the student has on file a Student Aid Report (SAR), an Institutional Student Information Record (ISIR), or presents written authorization from another funding source authorizing payment for student charges. The student's eligibility status and other pertinent information will be entered into the financial aid computer files, and further information or documentation requested as necessary. The student's eligibility based upon the SCC Standards of Satisfactory Academic Progress will be checked.

Students chosen for verification will be requested to provide the necessary documentation. (Verification is the process whereby the Director of Financial Aid will verify from documents provided that the information used in determining the student's financial aid eligibility is accurate.)

No disbursement of financial aid can be made until it can be certified that the information used is accurate and a valid SAR or ISIR is on file. Once this has been done, the student's financial aid will be delivered based on the normal disbursement schedule.

Pell awards will be made, and Pell funds disbursed, based upon the accurate number of eligible credit hours the student is enrolled in on the identified and published date (the Pell Status Date) each semester of the student's program. Hours added or dropped after that date will not result in an increased or decreased Pell award for the semester (if the student has completed 60% of the class).

Student Financial Aid Packaging

Shawnee Community College develops student financial aid awards based upon the philosophy that all enrolling students should be treated in a similar, fair, and consistent manner. Financial aid is made reasonably available, to the extent of

available funds, to all eligible students throughout the academic year. Estimated financial aid is proposed each year to assist in meeting the individual student financial need.

Since Shawnee Community College has no discretionary funds to award (other than scholarships which all have a specified application process), packaging per se is not done. Shawnee Community College uses an award notification process to notify students of their eligibility.

Student financial need is determined by subtracting the Expected Family Contribution (as indicated on the federal Student Aid Report—SAR) from the student's Cost-of-Attendance (as determined from average student budgets developed annually).

$$\begin{array}{r} \text{Cost of Attendance} \\ - \text{Expected Family Contribution} \\ \hline = \text{Student Financial Need} \end{array}$$

All awards are estimated based on the information available when the process is done. Actual awards may vary based upon federal and state funding, student eligibility, student choice, work-study employment opportunities, and other factors. Award letters are normally issued before or at the beginning of the fall semester, but will continue to be issued whenever a student submits all Financial Aid information. Revised award letters will be sent to the student, if necessary, as a Title IV award changes. All award letters reflect anticipated full-time attendance; awards will be reduced, as necessary, for less-than-full-time students.

Campus-Based Financial Aid

Campus-Based Financial Aid refers to the Federal Supplemental Educational Opportunity Grant (FSEOG) and the Federal Work-Study Program. A certain sum of money is provided to Shawnee Community College each year through these programs, which must be disbursed to qualified students according to the federal regulations governing the programs.

All students who have submitted a valid SAR or ISIR and completed any other necessary application steps are considered for the FSEOG grant. Money must first be awarded to the students with the lowest Expected Family Contribution (EFC) who will receive a Pell grant. That process is followed as students submit the required eligibility proofs until the money has all been awarded. SCC allocates a major portion of the money received for students enrolled in the summer semester, and divides the remainder of the money between the fall and spring semesters.

Federal Work-Study funds are used to place eligible student workers in part-time jobs on the basis of the student's needs, the jobs available, and the student's ability to perform the jobs that are available. Students apply for both Federal Work-Study and Institutional Work-Study jobs by reviewing the current job openings and contacting the Financial Aid Office.

Appeal of Financial Aid Decisions

Appeals to financial aid awards and other financial aid decisions may be made by following the appeal process described as part of the Satisfactory Academic Progress Policies.

Schedule of Disbursements

Disbursements of financial aid at Shawnee Community College are scheduled as follows:

Federal Pell Grants and FSEOG Grants	On an announced date each semester, approximately one week after the date of midterm.
Outside Scholarships and Benefits	As determined by the individual scholarship or benefit source, and/or after all debts to the college are paid.
Work-Study Wages	On the 15th and last day of each month.
SCC Scholarships	No cash disbursements made; approved amount is credited to the student account.
ISAC MAP Grants	No cash disbursements made; approved amount is credited to the student account as received.

Overpayments/Over awards

Awarding the student more Title IV financial aid than the student is eligible for, or more than the student's cost of attendance, is strictly prohibited by federal regulations. Specific steps to follow to correct such over awards are outlined in federal guidelines. When a student receives more Title IV funds than he/she should have received, it is the responsibility of the student to repay the excess award, even if it was an error on the part of the college that caused the over award. If the college was at fault, the school will repay the funds to the federal government and collect the funds from the student. If the error was not the school's fault, the money will be repaid by the student and forwarded to the federal program.

Return of Title IV Funds

Title IV funds refer to federal student aid that is authorized through Title IV of the Higher Education Act. At Shawnee Community College, Title IV funds refer to the Federal Pell Grant, the Federal Supplemental Education Opportunity Grant (FSEOG), and the Federal Work-Study program. Shawnee Community College no longer participates in the federal student loan programs. Only Pell and FSEOG are considered for the purpose of Return of Title IV funds.

Title IV funds are earned by a student by enrolling in and attending eligible college classes. Whenever a student withdraws from all classes (whether officially or unofficially) before 60% of the semester has been completed, a portion of the Title IV Aid that the student was awarded must be returned to the federal government, since it is considered to be unearned financial aid. That percentage of the unearned aid that would have been used to pay tuition, fees, and books is returned by the school. Some portion of the remaining unearned aid must be returned by the student. It is important that students be aware of this consequence of officially or unofficially withdrawing from all classes.

Whenever SCC becomes aware that a student has withdrawn from all classes, the Financial Aid Office will determine if unearned Title IV aid must be returned, and the amount that the college and the student, respectively, must return.

A student officially withdraws by notifying the Registrar of the intent to withdraw, and processing official withdrawal forms. For college refund purposes, the official date of withdrawal is the date that the completed forms are received by the Bursar's Office. For return of Title IV funds purposes, however, the withdrawal date utilized is the date that the student first declared his/her intent to withdraw to the Registrar's Office. If the student continues to participate in academic activities after declaring intent to withdraw, the last documented date of academic activity may be used as the date of withdrawal.

A student unofficially withdraws when the student stops attending all classes, or is officially dropped for non-attendance by all instructors on the 10th day and/or midterm date. Either the calendar day midpoint, or the last documented date of academic activity in the semester may be used as the withdrawal date for unofficial withdrawals, at the discretion of the Financial Aid Office. **ATTENDANCE IS VERY IMPORTANT. POOR ATTENDANCE COULD CAUSE YOU TO BE DROPPED FROM CLASS. IF YOU ARE DROPPED FROM CLASS YOUR FINANCIAL AID COULD BE ADJUSTED. IF YOU HAVE QUESTIONS, PLEASE CALL THE FINANCIAL AID OFFICE.**

Unearned Title IV funds that must be returned will be returned first to the Federal Pell Grant program, then to the FSEOG program, as appropriate. Since SCC does not participate in the federal student loan programs, there will be no loan funds to return. The Shawnee Community College portion of unearned Title IV funds will be returned to the Department of Education. If this results in an unpaid balance on the student's account, the student will be billed for the unpaid balance.

If the student is required to return a portion of the Title IV funds, SCC will notify the student of the requirement and amount to be returned within 30 days of SCC becoming aware that the student has withdrawn. The student may return the money or arrange a repayment plan through the Department of Education. If the student has not returned the required unearned funds or set up a repayment plan with the Department of Education within 45 days of the notification, the college will report an overpayment of Title IV funds to the Department of Education

through the National Student Loan Data System. The student will be ineligible for any further Title IV funds for attendance at any college or university until repayment has been arranged. Examples of the process used to determine unearned Title IV funds to be returned can be viewed by the student at www.shawneecc.edu under the Financial Aid section.

Financial Aid Grievance Procedure

A grievance means a complaint by a student that there has been unjust and/or injurious treatment to the student by college staff. Before a grievance can be filed, the student must attempt to resolve the complaint through discussions with the staff member(s) concerned. If such informal discussions do not lead to satisfactory resolution of the complaint, a formal grievance may be processed according to the following procedures:

Step 1:

1. Within ten calendar days of the termination of efforts to informally resolve the complaint, a legibly written statement of grievance shall be prepared, signed, and delivered to the Director of Financial Aid.
2. Within five work days after the written grievance is submitted, the Director shall convene a meeting including the student and the staff member concerned to resolve said grievance.

3. The Director will answer the grievance in writing within ten calendar days after such meeting. (Copy will go to staff member(s)).

Step 2:

1. If the grievance is not resolved in Step 1, the student must within seven calendar days of the Step 1 answer, submit a legibly written statement of the grievance and a copy of the Director's decision (from Step 1) to the Vice President of Student Success & Services.
2. Within ten work days of receipt of the documents specified in Part 1 above, the Vice President of Student Success & Services shall convene the Scholarship Committee for a hearing of the grievance and the staff members concerned will be required to attend.
3. The Scholarship Committee will hear the grievance, render a decision, and submit the decision in writing to the student and staff members concerned within ten calendar days of said hearing.

The Scholarship Committee's decision is final and ends the financial aid grievance procedure.

Standards of Satisfactory Academic Progress for Financial Aid Recipients (8152)

The Standards of Satisfactory Academic Progress of Shawnee Community College (SCC) are in compliance with U. S. Department of Education regulations, other relevant federal regulations, and the policies of the Illinois Student Assistance Commission. The Shawnee Community College Financial Aid Office is responsible for ensuring that all students who receive federal and state student financial aid are meeting these standards. This policy will be amended whenever applicable federal or state laws or regulations are changed. Other amendments to the policies will be considered through normal SCC policy revision procedures. Each student who receives federal and/or state student financial assistance must maintain satisfactory academic progress, according to the policies outlined below, in order to continue to receive financial aid. These policies determine satisfactory academic progress in relation to eligibility for the Federal Pell grant, Federal SEOG grant, Federal Work-Study, Federal Veteran's Administration Benefits, SCC Institutional Work-Study, the Illinois Student Assistance Commission's Monetary Award Program, and the Illinois Veteran's Grant/National Guard Scholarships. At Shawnee Community College, an academic year is defined as two semesters of 15 weeks or more (fall and spring semesters). The summer semester is considered to be part of the previous academic year. In order to assure that a student is satisfactorily progressing toward a certificate or degree, the progress of each student who has received financial aid for at least one of the prior terms in the Shawnee Community College academic year will be assessed after each spring semester to determine the progress made for the last semester of attendance. Students, who have attended SCC in the past, whether or not they received financial aid, will be assessed prior to receiving aid. Grade and time requirements are in effect for all attempted credit hours, whether the student received financial aid or not. Student progress will be measured in the most recent

curriculum formally declared. Transfer students will be assessed for satisfactory academic progress related to grades and percentage of hours earned based only upon courses attempted at Shawnee Community College. Certificate or degree completion will be assessed on Shawnee Community College hours and on hours formally transferred and accepted by Shawnee Community College.

Grade Requirements

Each financial aid recipient must be enrolled in an eligible certificate or degree program, and maintain at least a 2.00 cumulative grade point average (equivalent to a “C” average) on a 4.00 scale. As long as the cumulative grade point average is 2.00, regardless of the current grade point average, the student is maintaining satisfactory progress in relation to grade requirements. Whenever a student's cumulative grade point average drops below 2.00, the student will be placed on financial aid probation for the following semester. During the probationary semester, the student must attain a 2.00 current grade point average or raise his or her cumulative grade point average to 2.00 to retain financial aid eligibility. If the student does not attain a 2.00 current or cumulative grade point average during the probationary semester, the student will no longer be eligible, and will be placed on financial aid suspension. No additional Title IV financial aid will be awarded the student until eligibility is reinstated. If a student has attained a 2.00 current grade point average while on probation, but the cumulative grade point average is still under 2.00, the student will be allowed to continue on probation for an additional semester. Following the semester in which the cumulative grade point average reaches 2.00, the student will be taken off of probation.

Maximum Time Frame

A student is expected to complete an Associate Degree after attempting no more than 96 credit hours (150% of 64); to complete a one-year Certificate program after attempting no more than 51 credit hours (150% of 34); and to complete a less-than-one-year Certificate program after attempting no more than 24 credit hours (150% of 16). Due to required prerequisites in the LPN/ADN programs before a student will be formally accepted into the programs, an LPN student is expected to complete the Certificate after attempting no more than 77 credit hours (150% of 51) and an ADN student is expected to earn the Associate Degree after attempting no more than 122 credit hours (150% of 81). Once the allowable level of credit hours attempted has been reached, the student will be placed on financial aid suspension until the appropriate certificate or degree has been completed. To maintain academic progress over time, a student must, by the end of the first full academic year of attendance (one fall and one spring semester), and each year thereafter, have successfully earned 67% of attempted hours. Attempted hours are all hours the student is still enrolled in after the 10th day of each semester. If 67% of attempted hours have not been successfully completed, the student will be placed on financial aid probation for one semester. The student may continue to receive grant or gift financial aid while on probation but will not be eligible to receive an initial student work assignment. During the probationary semester, the

student must enroll in and pass enough hours to have successfully earned 67% of attempted hours by the end of the semester. If the student does not attain the 67% level during the probationary semester, the student will no longer be eligible and will be placed on financial aid Suspension. No additional Title IV financial aid will be awarded the student until eligibility is reinstated. When a student is placed on financial aid probation, suspension, or termination, a notification letter is sent to the students. However, lack of receipt of a notification letter does not nullify the probation, suspension, or termination status. Failures, Incompletes, Withdrawals, Audits, ABE/High School Equivalency, and Community Education courses are not counted as credits successfully completed. Repeated courses are counted in the assessment of grade point averages and as an attempted course. All other credited courses, including pass/fail courses and remedial courses, are also counted. If a student's grade is changed after a designation of financial aid probation or suspension, it is the student's responsibility to notify the Financial Aid Office. Changes are not final and are not considered for financial aid purposes until officially recorded on the student transcript. Withdrawal from school will have no effect on the student's satisfactory academic progress standing upon re-entering (i.e. if the student was ineligible upon withdrawing from school, he/she will still be ineligible when they return).

Reinstatement

Students on probation for grade requirements retain probationary status as long as their current grade point average is 2.00 or better. To reinstate probationary financial aid status after having eligibility suspended, the student must enroll, and utilize resources other than federal/state financial aid to pay for the costs. The student must earn a minimum of six (6) semester hours and attain a 2.00 current grade point average for all enrolled hours during the semester. Reinstatement without probation will occur when the student's cumulative grade point average is 2.00 or better. Students who are on suspension because a certificate or degree has not been completed within 150% of attempting the normal credit hours needed will be reinstated after they have processed an approved graduation application for the appropriate certificate or degree, and have been placed on the graduation list. Students who are on suspension because they have not successfully earned 67% of attempted hours will be reinstated after they have successfully earned 67% of attempted hours.

Monitoring Procedures

Semester hour enrollment is monitored by the Financial Aid Office on the identified Pell Status Date each semester, and financial aid awards are adjusted for those students whose enrollment status has changed. (For example, a student who drops from full-time status to half-time status will have his/her Pell award adjusted accordingly). Grade requirements and the status of all enrolled students on probation are monitored by the Financial Aid Office at the end of each semester. Satisfactory progress toward the completion of a degree or certificate and the percentage of hours attempted that have been earned is monitored by the

Financial Aid Services Office at the end of each semester. Satisfactory attainment of the federal requirement for a 2.00 grade point average after two academic years is monitored by the Financial Aid Office after each semester.

Appeals

Students not meeting one or more of the satisfactory academic progress standards of Shawnee Community College will be ineligible for continued financial assistance, as described, unless an appeal which justifies reinstatement is submitted and approved. A student may appeal suspension or termination of financial aid by submitting, in writing, any mitigating circumstances that prevented the student from making the required progress. An appeal letter, along with supporting documentation, should be sent to the Financial Aid Office, Shawnee Community College. The merit of the appeal will be determined by the Shawnee Community College Appeals Committee, which serves as the financial aid advisory committee, at their next regularly scheduled meeting after the appeal is received. The Committee decision shall be final.

Reporting Potential Fraud and Abuse (8154)

Whenever, in the course of reviewing a student's information, the Shawnee Community College Financial Aid Office finds that the student may have engaged in fraud or other criminal misconduct in applying for aid, it will be reported to the Inspector General's Office of the U.S. Department of Education.

The student will first be notified of the situation and asked to come in to discuss the problem. The findings will be reported, in writing, to the Inspector General's Office and a copy of the report will be sent to the student. The college will cooperate in any way with the ensuing investigation by the Inspector General's Office.

Fraudulent statements that might affect the student's eligibility for financial aid may include, but are not limited to: the use of false identities and/or social security numbers, forgery of signatures or certifications; false claims of income, citizenship, or independent student status; and false certifications relating to previous attendance at other post-secondary institutions, defaults, and repayments.

Professional Judgment (8156)

Federal legislation permits the Financial Aid Administrator, in certain circumstances, to review a student's file and utilize professional judgment in determining financial aid eligibility. The following policy has been adopted to implement this legislation.

Professional judgment cases will be considered only at the request of the student and at the discretion of the Director of Financial Aid/ Coordinator of Veterans &

Military Personnel, if the student meets one of the outlined criteria for review, and provides proper documentation. In all such cases, eligibility decisions will be made based upon the particular circumstances of each individual student. All unusual circumstances will be documented in the student's file, as well as the decision made and the actions taken.

The Director of Financial Aid/Coordinator of Veterans & Military Personnel is designated the Financial Aid Administrator (FAA), and, as such, shall be the individual responsible for determining financial aid eligibility, based upon current Title IV regulations, Shawnee Community College policies and procedures, and required documentation.

No Title IV financial aid disbursements (including federal Pell and FSEOG grants, ISAC MAP grants, and Federal work-study wages) and no certifications of Federal Stafford/PLUS loans, will be approved without a valid SAR/ISIR and a completed Shawnee Community College Financial Aid Application being on file in the Financial Aid Office.

The following criteria for review shall be utilized by the FAA in beginning the individual review. The student will initiate a formal request for review by completing a Request for Professional Judgment Consideration, or a Request for Designation as an Independent Student, or such other forms as the FAA shall deem appropriate.

Professional Judgment Procedure

Upon a student's request for reassessment of financial aid eligibility due to unusual circumstances, the Financial Aid staff person interviewing the student will discuss the criteria for review with the student, and suggest the student meet with the Director of Financial Aid/Coordinator of Veterans & Military Personnel if the criteria appear to be met by the student's circumstances.

If the student appears to meet at least one of the Criteria for Review, the staff person will ask the student to complete an appropriate request or application form. The student will then be interviewed by the FAA, and further documentation will be requested as necessary. The FAA will review the student's file and determine if adjustments can justifiably be made. Adjustments that can, in the FAA's judgment, be justified and documented adequately, will be made according to the Department of Education guidelines.

GRADING/RECORDS

Class Assignments/Syllabus

On the first day of every class, the instructor will give you a syllabus. This will outline the expectations of the class, the name of the textbook, the reading assignments, projects, test dates, and grading system for the course. You are expected to follow the syllabus and complete all the work by the due dates. It is your responsibility to keep track of your assignments and the due dates!

Grading (8160)

Final grades are posted on Saints Online at the close of each term. Grades may be withheld/blocked from view by the college for such reasons as unpaid fees, overdue library books, and incomplete admissions records. Students are graded according to the following system:

<u>Grade</u>		<u>Grade Points</u>
A	Excellent Performance	4
B	Good Performance	3
C	Average Performance	2
D	Inferior Performance	1
P	Passing	0
F	Failing Performance	0
*I	Incomplete Work	0
**S	Satisfactory	0
***U	Unsatisfactory	0
W	Withdrawal from class after mid-term and before academic penalty date	0
AU	Audit	0

The grade point average (GPA) is computed by multiplying the grade points earned in a course by the number of college credit hours for the course, adding these products for each course, and dividing by the total number of college credit hours. An "F" will be computed in the GPA unless the course is later repeated with a satisfactory grade. Neither credit hours nor grade points will be computed in those courses where a grade of "I", "W", "S", "P", or "U" is assigned. Hours earned in non-credit courses (denoted on the transcript by an asterisk (*)) will not be used in computing GPA. A student's standing in a curriculum is determined by his/her cumulative GPA. The cumulative grade point average is figured by semester hours attempted, not by semester hours earned.

$$\text{GPA} = \frac{\text{total grade points earned (A, B, C, D, and F grades)}}{\text{total semester hours attempted}}$$

Incompletes

A student may receive an "I" indicating an incomplete for unfinished work in a course provided the work was incomplete because of circumstances determined by the instructor to be unavoidable and approved by the Vice President of Academic Affairs & Student Learning. A student who receives an "I" must complete the requirements of the course by the end of the next semester, excluding the summer term, in order to receive credit for the course. Once the requirements are completed, the instructor shall report the grade of A, B, C, D, or F. If a student does not complete the course requirements by the deadline, the student will receive an "F". These arrangements must be made with the instructor before the end of the semester in which the "I" is recorded. A copy of the agreement must be forwarded to the Admissions Office with the final grade report.

***Satisfactory/Unsatisfactory grades are issued to students enrolled in Adult and Community Education classes only. These grades will not be used in computing the student's GPA or college credit hours.

Grievance Procedure for Grades

Students will follow the same grievance procedure, Policy 8600, pertaining to grades with the following changes:

1. A Student Hearing Committee will convene for a grievance pertaining to grades: and
2. The Student Hearing Committee shall be comprised of four (4) members of Academic Affairs & Student Learning, two (2) members of Student Success & Services, and one Student Senate member.

Independent Study

With administrative approval, credit may be earned in independent study in any curricular area in which it is available. Contact the advising department for additional information. Independent Study courses have special fees. An additional \$40 per credit hour is charged for Independent Study courses.

1. An outline of the instructional plan must be submitted to the Vice President of Academic Affairs & Student Learning office.
2. Students enrolling in independent study will pay the current rate of tuition per semester hour along with \$40.00 lab fee per semester hour.
3. Instructors having independent study courses will be paid at the rate approved under the collective bargaining agreement.

Pass/Fail Grade Policy (8161)

Students wanting to exercise a Pass/Fail option must apply for it at the time of registration for that course and prior to the student's first day of course attendance.

An application for Pass/Fail credit must be completed and signed by the student and the advisor at the point of registration.

The maximum hours of Pass/Fail that can be taken in any one (1) semester is four (4) hours.

The total maximum number of Pass/Fail credits that can count toward any degree is 12 semester hours.

No general education core curriculum courses can be taken Pass/Fail. Exceptions may be allowed under special circumstances with the written approval of the Vice President of Academic Affairs & Student Learning.

Courses taken Pass/Fail can only count as elective credit.

The designation of Pass/Fail cannot be changed after the beginning of the semester. Pass/Fail courses cannot be changed to a letter grade after the start of the semester. Likewise, a credit course cannot be changed from a letter grade to Pass/Fail after the start of the semester.

Certain courses may be considered Pass/Fail. These are IND courses, COM 0160-Introduction to Microcomputers, VOL 0201-Volunteer Service, degree practicum/internship course, and nursing Clinicals.

Repeat Enrollment in Courses (8540)

A course in which a student enrolls more than once is considered a repeated course. Approval will be given under the following conditions:

1. If the student previously completed the course with less than a grade of C (or equivalent) and the course is necessary to satisfy requirements for a degree or certificate, the student may enroll and be claimed in the course one additional time; or
2. If a course has been approved by the Illinois Community College Board to be repeated, the student may repeat the course and be claimed as often as approved by the Illinois Community College Board.

In instances where a student repeats a given course, both courses will be recorded on the student's transcript. The higher of the two grades will be recorded on the transcript and used in computing the cumulative grade point average. The lower of the two grades will be converted to "R" and not be computed in the grade point average nor will it be applicable to a degree or certificate.

For financial aid purposes, courses repeated after a student has received a grade of A, B, C, or D will not be counted in determining the amount of federally-funded or state-funded financial aid, including the federal Pell grant and the state

Monetary Award Program grant, unless one or more of the following conditions exist:

- The student is allowed to earn credit for the course more than once,
- It is the first time the student is repeating the course and they earned an “F” the first time,
- A “C” is required to pass the course and the student has previously earned a “D” or “F” in that course,
- The student is evaluated by the Student Counselor or designee to determine student needs, such as tutoring, childcare, or transportation.

Courses repeated because of other conditions shall be considered audited courses and enrollment for such must receive prior approval by the Vice President of Student Success & Services.

Class Withdrawal Policy (8520)

The responsibility for withdrawing from a class rests with the student. The student must abide by the following provisions:

1. Contact a member of the advisement staff to initiate a drop from class.
2. After the first day of instruction, the student must take the withdrawal slip, obtain the counselor’s/instructor’s initials, and deliver this form to the Admissions and Advisement Office in order to be officially withdrawn from a class.
3. The date of withdrawal will be the date the form is received by the Advisor.
4. Not attending class does not constitute a withdrawal from class. Failure to officially withdraw by the academic penalty date will result in a failing grade for the semester.

Note: Please consult the Official College Calendar for the final drop dates each semester.

Audit Policy (7340)

Students must receive approval from the Vice President of Academic Affairs & Student Learning prior to enrolling to audit a course. Audited courses are subject to compliance with all other college regulations. Students are not permitted to change to audit after the close of registration during each semester. The student must attend all regular class sessions. The student does not receive a grade or credit for the course, but the course is listed as Audit on his or her transcript. Regular tuition and fees will be assessed for audited courses. A student may elect to take a course for credit which was previously audited.

Attendance

Students are expected to attend all class sessions for which they are scheduled. The effect of absences on grades is determined by the instructor with the approval

of the Vice President of Academic Affairs & Student Learning. Faculty may drop a student from class at mid-term if the student is not attending regularly and making progress toward successful completion of the course. Any student enrolled after mid-term must withdraw from class following the procedure above.

Students will be allowed to make up work missed because of legitimate class absences (scheduled, supervised college trips or functions). However, instructors must be notified in person by the student prior to his or her absence. Procedures for implementing this policy are as follows:

1. The student will notify the instructor in person no later than one class meeting prior to the absence.
2. The student should request from the instructor work that can be made up prior to the absence.
3. Examinations and other assignments that cannot be completed prior to the absence will be made up at a time mutually agreed upon by the student and the instructor. This should be done no later than the end of the semester.
4. If the work is not completed due to absences while participating in extracurricular activities or other uncontrollable situations, the student will be given an "Incomplete" grade and will have one semester to complete the course.

In cases of prolonged absences, students should notify the office of the Vice President of Student Success & Services.

Maintaining Student Attendance Records (9410)

The faculty will be required to check student attendance and file records with the appropriate Vice President. The procedure to be used is:

1. All full-time and part-time faculty will check attendance at every session of each class meeting (credit and non-credit), keeping a record by calendar date, course title, section number, and time of class meeting. The record should indicate a student's presence or absence at each session of the class.
2. This record will be kept on file and current by the instructor. It must be available for use by the Vice President or his/her designee at any time during the semester.
3. This record must be permanently filed with the Vice President of Academic Affairs & Student Learning no later than two (2) days after the last scheduled day of final examinations in the semester.
4. Faculty members may keep this record in a grade book or special form provided by the College.

Attendance is very important. Poor attendance could cause you to be dropped from class. If you are dropped from class your financial aid could be adjusted. If you have any questions, please contact the Financial Aid Office.

Satisfactory Academic Progress, Warning, Probation and Suspension (8151)

A student who does not maintain a cumulative grade point average of 2.00 will be given academic warning for one semester. If work is unsatisfactory the following semester, the student will be placed on probation. A student may attend a summer session to raise the G.P.A. to a satisfactory level.

Academic Dishonesty/Plagiarism

Academic dishonesty is defined as, but is not limited to:

1. Cheating – Using or attempting to use unauthorized materials, study aids, or information in any academic exercise, including copying from another person's work or preparing work for another person that is to be presented as the other person's own work.
2. Fabrication – Furnishing false information to a College official relative to academic matter including but not limited to misrepresentation of written information provided in admission documents.
3. Plagiarism – Representing the words or ideas of another as one's own in any academic exercise. Plagiarism is stealing ideas or creations from others and taking credit for that work as if it were your creation. If you need assistance or further clarification about plagiarism, please contact the Shawnee Community College Library or the Student Success Center.

Types of Plagiarism:

- turning in someone else's work as your own, whether borrowed, copied, or purchased
- copying words, ideas, statistics, phrases, music or artwork from someone else without giving credit through use of quotation marks and correct citation
- paraphrasing or summarizing someone else's ideas (expressing the other person's ideas in your words) without crediting that person for the ideas
- supplying false citation information for sources
- using more material from sources than you write from your own thoughts (even if you cite sources, they cannot make up the majority of your work, because instructors usually require original work)

The student will be required to attend a remediation session led by the college librarian. Release of Student Information and Access to Student Records (8430)

Shawnee Community College recognizes and adopts as policy those regulations as set forth in the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment).

No one outside the institution shall have access to nor will the institution disclose any information from students' education records without the written consent of students. Exceptions include personnel within the institution, officials of other institutions in which students seek to enroll, persons or organizations providing students financial aid, accrediting agencies carrying out their accreditation function, persons in compliance with a judicial order, and persons in an emergency in order to protect the health or safety of students or other persons.

Within the Shawnee Community College community, only those members, individually or collectively, acting in the students' educational interest are allowed access to student education records. These members include personnel in the Admissions and Advisement Office, Financial Aid Office, and academic personnel within the limitation of their need to know.

At its discretion, the institution may provide directory information in accordance with the provisions of the Act to include: student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the Vice President of Student Success & Services in writing within two weeks after the first day of class for the fall term.

Identity-Protection (4377)

Shawnee Community College (“SCC”) adopts this Identity-Protection Policy pursuant to the Identity Protection Act. 5 ILCS 179/1 *et seq.* The Identity Protection Act requires each local and State government agency to draft, approve, and implement an Identity-Protection Policy to ensure the confidentiality and integrity of Social Security numbers agencies collect, maintain, and use. It is important to safeguard Social Security numbers (SSNs) against unauthorized access because SSNs can be used to facilitate identify theft. One way to better protect SSNs is to limit the widespread dissemination of those numbers. The Identity Protection Act was passed in part to require local and State government agencies to assess their personal information collection practices, and make necessary changes to those practices to ensure confidentiality.

Social Security Number Protections Pursuant to Law

Whenever an individual is asked to provide SCC with a SSN, SCC shall provide that individual with a statement of the purpose or purposes for which SCC is collecting and using the Social Security number. SCC shall also provide the statement of purpose upon request. SCC’s Statement of Purpose is attached to this Policy.

SCC shall not:

1. Publicly post or publicly display in any manner an individual's Social Security Number. "Publicly post" or "publicly display" means to intentionally communicate or otherwise intentionally make available to the general public.
2. Print an individual's Social Security number on any card required for the individual to access products or services provided by the person or entity.
3. Require an individual to transmit a Social Security Number over the Internet, unless the connection is secure or the Social Security number is encrypted.
4. Print an individual's Social Security number on any materials that are mailed to the individual, through the U.S. Postal Service, any private mail service, electronic mail, or any similar methods of delivery, unless State or federal law requires the Social Security number to be on the document to be mailed. SSNs may be included in applications and the administration of the Unemployment Insurance Act, any material mailed in connection with any tax administered by the Department of Revenue, and documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the Social Security number. A Social Security number that is permissibly mailed will not be printed, in whole or in part, on a postcard or other mailer that does not require an envelope or be visible on an envelope without the envelope having been opened.

In addition, SCC shall not:

1. Collect, use, or disclose a Social Security number from an individual, unless:
 - a) Required to do so under State or federal law, rules, or regulations, or the collection, use, or disclosure of the Social Security number is otherwise necessary for the performance of SCC's duties and responsibilities;
 - b) The need and purpose for the Social Security number is documented before collection of Social Security number; and
 - c) The Social Security number collected is relevant to the documented need and purpose.
2. Require an individual to use his or her Social Security number to access an internet website.
3. Use the Social Security number for any purpose other than the purpose for which it was collected.

Requirement to redact Social Security Numbers

SCC shall comply with the provisions of any other State law with respect to allowing the public inspection and copying of information or documents containing all or any portion of an individual's Social Security number. SCC shall redact social security numbers from the information or documents before allowing the public inspection or copying of the information or documents.

When collecting Social Security numbers, SCC shall request each SSN in a manner that makes the SSN easily redacted if required to be released as part of a public records request. “Redact” means to alter or truncate data so that no more than five sequential digits of a Social Security number are accessible as part of personal information.

Employee Access to Social Security Numbers

Only employees who are required to use or handle information or documents that contain SSNs will have access. All employees who have access to SSNs are trained to protect them.

Student Rights Under the Family Educational Rights and Privacy Act (FERPA)

Under the Family Educational Rights and Privacy Act (FERPA) of 1974 students have certain rights regarding their educational records and access to them. Student educational records are maintained on the Shawnee Community College main campus, and include admission records, academic records and financial aid records.

The student has the right to:

1. Request that public directory information not be released
2. Review and inspect his/her educational records
3. Seek amendment of the educational records that the student or dependent student’s parent believes to be inaccurate, misleading or otherwise in violation of student privacy rights
4. If the request for an amendment is denied, the student has the right to request a hearing to challenge the contents of the education record
5. Consent, under certain conditions, to disclosure of personally identifiable information contained in student educational records
6. File a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with statutory and regulatory student and family privacy rights

The following procedure is to be followed at Shawnee Community College in order for a student to exercise the right to inspect their educational records and for seeking to amend those records:

The student must submit a written request to the Admissions and Advisement office to view the records. The student record will be produced for examination within 45 days. Every effort will be made by the college to give reasonable requests for explanations and interpretations of the records. A student has the right to seek to amend their records. When seeking to amend the student record, the student must first request the change in writing. The student will meet with the Dean of Student Success & Services regarding the amendment. To request that

directory information not be disclosed, the student must submit the request in writing to the Admissions and Advisement department.

Students should be aware that personally identifiable information from students' education records may be disclosed without students' prior consent to authorized representatives of the U.S. Department of Education (or research firms under contract by the Department), the Office of Inspector General, and state and local education authorities.

Disclosure may also be made to other agencies if the student information is needed to determine the amount of financial aid, the conditions for the aid, the student's eligibility for the aid, or to enforce the terms of the conditions of the aid the student has applied for or received. Disclosure may be made to the student's parent only if the student receives more than half of his or her support from the parent (a dependent by definition of the Internal Revenue Service).

The following information may be accessed or obtained by potential or current students and their parents by contacting the office of the Vice President of Student Success & Services. It may also be included, as noted, in a current Shawnee Community College publication.

COUNSELING SERVICES

Sometimes the demands of college life can become overwhelming and unmanageable. Students may feel alone, isolated, helpless, and even hopeless. These feelings can easily disrupt academic performance and interfere with their ability to be successful in their classes. Counseling Services at Shawnee Community College are confidential within ethical and legal guidelines. Information does not become part of the academic record of the student. Services are free of charge to all Shawnee students.

ACCESSIBILITY AND RESOURCE SERVICES

The Accessibility and Resource Office at Shawnee Community College is dedicated to providing reasonable academic accommodations and support to all currently enrolled students who have a documented disability in accordance to Section 504 of the Rehabilitation Act of 1973 and The Americans with Disabilities Act of 1990 (ADA).

Individuals eligible for services include, but are not limited to students with mobility, orthopedic, hearing, visual, speech, and learning disabilities.

To request accommodations from the Accessibility and Resource Office, please contact Heather Casner by phone at 618-634-3228, email at heatherca@shawneecc.edu, or in her office #H2083 in the main hall.

Service Animals

The U.S. Department of Justice published revised final regulations under title II (state and local government services) and title III (public accommodations and commercial facilities) of the Americans with Disabilities Act (ADA) on September 15, 2010, in the Federal Register. These requirements or rules clarify and refine issues that have arisen over the past 20 years and contain new and updated requirements, including the 2010 Standards for Accessible Design (2010

Standards). This publication provides guidance on the term “service animal” and on the service animal provisions in the Department’s new regulations. Beginning on March 15, 2011, only dogs are recognized as service animals under titles II and III of the ADA. Click to learn more at the ADA Service Animals Requirements online resource. To view the publication from the Department of Justice, please go to http://www.ada.gov/service_animals_2010.htm.

A service animal is a dog that is individually trained to do work or perform tasks for a person with a disability. Generally, title II and title III entities must permit service animals to accompany people with disabilities in all areas where members of the public are allowed to go. Under the ADA, State and local governments, businesses, and nonprofit organizations that serve the public generally must allow service animals to accompany people with disabilities in all areas of the facility where the public is normally allowed to go. Under the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions:

1. Is the dog a service animal required because of a disability, and
2. What work or task has the dog been trained to perform?

Staff cannot ask about the person’s disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Allergies and fear of dogs are not valid reasons for denying access or refusing service to people using service animals. When a person who is allergic to dog dander and a person who uses a service animal must spend time in the same room or facility, for example, in a school classroom or at a homeless shelter, they both should be accommodated by assigning them, if possible, to different locations within the room or different rooms in the facility.

A person with a disability cannot be asked to remove his service animal from the premises unless:

1. The dog is out of control and the handler does not take effective action to control it or
2. The dog is not housebroken.

When there is a legitimate reason to ask that a service animal be removed, staff must offer the person with the disability the opportunity to obtain goods or services without the animal’s presence.

Establishments that sell or prepare food must allow service animals in public areas even if state or local health codes prohibit animals on the premises.

People with disabilities who use service animals cannot be isolated from other patrons, treated less favorably than other patrons, or charged fees that are not charged to other patrons without animals. In addition, if a business requires a deposit or fee to be paid by patrons with pets, it must waive the charge for service animals. Staff are not required to provide care or food for a service animal.

Shawnee Community College would appreciate for all service animals to be registered in the Accessibility and Resource Office and be up to date on all shots, but service animals are not an academic accommodation that needs approval.

ALTERNATIVE HIGH SCHOOL

Classes for high school credit are offered to students who have dropped out of high school and wish to earn a high school diploma. Classes are offered at multiple locations in the district. Students must have a referral from their local school district.

Alternative High School Commitment Sheet and Disciplinary Guidelines

There are three primary commitments for this program:

1. **ATTENDANCE** – Attendance is mandatory. Class hours are from 8:30 a.m. to 2:15 p.m., Monday through Friday. Attendance is expected to be maintained at a minimum of 75%. Prior notification is required for a student to leave early for medical appointments or court appearances. Parents may be notified if a student is not present when scheduled. Students are responsible for their own transportation to and from school. **STUDENTS WITH EXCESSIVE ABSENCES WILL BE DROPPED FROM THIS PROGRAM.**
2. **ACADEMICS** – Final grades only are issued to the student’s referring high school. Grades are placed on student transcripts by the high school. The SCC AHS does not issue high school transcripts; those must be obtained by the referring high school. **THERE IS NO HOMEWORK; ALL WORK MUST BE DONE IN THE CLASSROOM.** In order to remain in the program, you must be making progress in your coursework and earning passing grades. Failure to progress or maintain passing grades will result in failure of your classes and removal from the program. Grades are sent to the high school only for students who complete the semester. Students who currently have an IEP are not eligible for this program.
3. **ATTITUDE** – A good attitude is essential for success in the program. Disrespect toward your instructors or fellow classmates will not be tolerated. **INSUBORDINATION, DISRUPTIONS, OR SLEEPING** will result in being sent home. Profanity, harassment, or intimidation will not be tolerated. Student violence, theft, illegal possession, or being under the influence of drugs or alcohol is subject to suspension, expulsion, or arrest. Students who are suspected of being under the influence of drugs or alcohol will not be allowed to remain in class. A parent will be called to escort the student home.

4. Absolutely no weapons of any kind are allowed on campus. No cell phones or MP3 players are allowed. There is no loitering in the parking area. Students who have a history of violent or aggressive behavior or exhibit behavioral issues that affect ability to successfully complete school work and achieve grade-level outcomes are not eligible for this program.

Be considerate. If your behavior or attitude is keeping you from your work or is causing problems for others who are trying to work, you may be sent home. Respect is our guiding principle.

Alternative High School Disciplinary Actions

- Removal from program (student dropped or expelled)
- Verbal reprimand / Conference with student
- Call or conference with parent/ guardian
- Temporary removal from class

EMERGENCY PROCEDURES

The purpose of this emergency procedure guide is to assist in the planning and development of an emergency preparedness plan at the college. It is important for policies and procedures to be developed in order to prevent problems and minimize the confusion that accompanies emergencies or disasters. A major emergency affecting a large number of people may occur at any time, or any place.

Inclement Weather

The Shawnee Community College District covers a wide geographical area and weather conditions differ in certain areas. A decision as to whether or not classes will be cancelled is made as early as possible, usually by 6:00 a.m. An announcement of any closing will be made over specified local radio and television stations. The absence of such an announcement means that classes will be in session as scheduled. Unless otherwise specified, an official closing announcement pertains to all Shawnee Community College classes (on-campus day, on-campus night, and off-campus extension). We believe our student body is mature enough to make wise decisions as to their ability to drive safely from their local community to the campus. Listed are the official news media that will be carrying our inclement weather announcements:

The intent of this service is to notify students by email, or text message on their cell phone, of campus closures for weather and/or other emergencies.

This is an opt-in service provided by SCC. While there is no direct cost for signing up for this service, you may be charged a text message fee by your cell phone provider. Please check your cell phone plan to understand the costs you may incur using this service.

All users who sign up for this service will receive announcements regarding campus closures for weather and other emergencies, text messages to validate the service is working, and notification when your account is about to expire.

To sign up for Saints Alert System, go to the SCC website at www.shawneecc.edu, and click on Saints ALERT.

Earthquake/Tornado/Fire

In case of an earthquake, tornado, or fire, follow the directions of the emergency signs located in each classroom and throughout buildings H, I, J, K and L. Fire alarms are located throughout the building. Check the location of fire alarms in your building. If there is a fire, activate the fire alarm and call the fire department (Karnak – 618-634-2223 or Ullin – 618-845-3612). The Campus Safety Committee will hold tornado and fire drills each semester.

Illness/Injury

If there is an emergency, please notify the security department (3232).

Psychological Crisis

A psychological crisis exists when an individual is threatening harm to himself/herself or to others, or is out of touch with reality due to severe drug reaction or a psychotic break. A psychotic break may be manifested with hallucinations, uncontrollable behavior, or delusions.

If a psychological crisis occurs:

1. Never attempt to handle a situation you feel is dangerous on your own.
2. Notify the security officer first by dialing extension 3232. If there is no answer, dial "0" and ask the receptionist to notify security; clearly state that you need immediate assistance. Give your name, your location, and the area involved.
3. Inappropriate handling, or inadvertent escalation, are the most likely causes in turning an emotional crisis into a potentially dangerous emergency. Many times such situations escalate from the fear or reactions of the reactor rather than from those of the actor. Your role, if involved, is to maintain the situation in as neutral a state as possible until professionally trained staff arrives. **REMAIN CALM.**
4. If you are alone and a person becomes violent or disturbed, call for help if possible or seek assistance from someone passing by. Exercise extreme caution at all times.

Students Who Need to be Notified of Emergencies

If a student needs to be notified of an emergency during the day, parents, relatives, or spouses can contact the Shawnee Community College Receptionist/Clerk (618-634-3397). The caller must give his/her name, telephone number and the nature of the emergency.

SAFETY AND SECURITY

Safe Environment Policy (4382)

The college has an obligation to provide a safe environment free from violence and threats of violence where civility is valued. To that end, it is the intent of Shawnee Community College to make reasonable efforts to provide for the safety and security of its students, faculty, staff, public, and property. As a result, the college has developed a college Safe Environment Policy.

Purpose

The purpose of this policy is to encourage a safe and secure environment free from aggressive, threatening, or violent acts through the development and implementation of an effective program that helps assure a safe college environment.

Scope

This policy applies to all employees of Shawnee Community College, students, guests, visitors, and contractors on the college premises.

Safety and Security

Campus security has the primary purpose of protecting life and property, preventing crime, and preserving peace and order. Campus security officers are present on the main campus 24 hours a day. The Vice President of Student Success & Services receives safety and security related reports. SCC custodial/maintenance staff are also available and are responsible for the access and maintenance of all college buildings and grounds.

In an effort to enhance safety and security, SCC has developed well-lighted parking areas, placed surveillance cameras in the facility, and maintains a key-controlled security system for all buildings and offices.

Campus security officers are present to enforce college regulations and should receive the full cooperation of each student and staff member in carrying out such responsibilities. Security officers are authorized to receive and act upon reports of possible violation, to request student information at any time, to write citations for parking violations, to remove non-students from campus when necessary, to

coordinate efforts with local and state law enforcement officers, and to assist students and staff in whatever way possible. Security personnel patrol parking lots and buildings on a regular basis.

Any crime or suspected undesirable activity should be reported at once to the security officer by calling extension 3232, and/or by contacting the Information Desk. The security officer or authorized personnel will be responsible for taking any required action and for notifying off-campus emergency and law enforcement officials as necessary.

Safety Texting Service

See something, say something. Help keep Shawnee Community College safe. If you see any safety issue on campus, you can send a confidential text to report it. Text SCCSAFETY and your report to 50911.

CODE OF CONDUCT

Harassment (4511)

Shawnee Community College is strongly committed to establishing and maintaining an environment in which students, faculty, and staff can work together in an atmosphere free of all forms of harassment. Harassment, whether sexual, racial, ethnic, religious, or based on a disability, is expressly prohibited by law. Harassment in any form is contrary to the fundamental ethical standards of the academic community, and it violates the special bond of intellectual dependence and trust. It is a violation of various state and federal statutes and regulations, and it is strongly opposed in all forms and manifestations at Shawnee Community College. Efforts will be made to maintain and enhance the college as an institution which serves all of our citizens in an atmosphere of mutual trust and respect.

The college expressly condemns and prohibits all forms of harassment and considers all such acts to be serious breaches of our public trust, contrary and detrimental to the mission of Shawnee Community College.

The college will take whatever action it deems necessary or appropriate to prevent behavior that violates this policy. Students, faculty, and staff may be disciplined, expelled, or terminated at the college's discretion for violations of this policy, and in accordance with the applicable provisions of the Student Handbook, Contract of Employment, or other provisions of these policies.

Each student is encouraged, and every member of the faculty and staff of the college are required, to report any incident of harassment to the Vice President of Student Success & Services/Affirmative Action Officer or the Human Resource Director.

Sexual Misconduct – Title IX (4515)

Title IX of the Education Amendments of 1972, as amended, prohibits discrimination on the basis of sex in any federally funded education program or activity. As such, Title IX mandates that no person shall be excluded from participation in or discriminated against on the basis of sex in programs or activities at educational institutions that receive federal financial assistance.

Sexual misconduct is a form of sex discrimination. Sexual misconduct for the purpose of this policy includes but is not limited to sexual harassment, sexual assault, stalking, and sexual exploitation. Additionally, sexual misconduct is any conduct of a sexual nature that is without consent, or has the effect of threatening or intimidating another person to whom the action is directed. Shawnee Community College policies are designed to meet requirements of the state of Illinois' laws prohibiting discrimination based upon sex, sexual orientation, and

gender identity. These policies apply to all employees, students, and third parties at Shawnee Community College.

Shawnee Community College prohibits all forms of sex offenses and considers all such acts to be entirely unacceptable and unwarranted. Sex offenses are violations of the Illinois Criminal Code and are prosecutable as such. The College is committed to assisting in the prevention of sex offenses, and is determined to apprehend and discipline and/or prosecute violators. The College will provide immediate respectful support to victims of sex offenses and will ensure that a victim of sexual assault is allowed an opportunity to seek the necessary medical and/or psychological treatment and testing which is usually free of charge, to preserve physical evidence of sexual violence.

The Pulaski County Sheriff's Office, Illinois State Police, or other law enforcement agency assigned to the investigation, may assist the victim through available options. Any such incidents should promptly be reported to the Vice President of Student Success & Services/Affirmative Action Officer or the Human Resource Officer.

Shawnee Community College adheres to all Title IX standards that prevent and rectify any form of discrimination. Additionally, the college complies with the Jeanne Clery Act regarding disclosure of campus security and campus crime statistics, the Violence Against Women Act (VAWA), and the Campus SaVE (Sexual Violence Elimination) Act. Shawnee Community College holds any individual or group of individuals aiding or promoting any behavior or culture not in agreement with its policies as accountable and therefore susceptible to the same consequences as any individual directly violating its policies.

The primary responsibility of both the Title IX Coordinator and the Associate Title IX Coordinator is to coordinate the College's Title IX compliance efforts. The Title IX Coordinator and the Associate Title IX Coordinator responsibilities include but are not limited to:

1. Coordination of all educational programs for the prevention of Title IX violations.
2. Producing required Title IX educational materials for the use of the College.
3. Investigation of Title IX complaints.
4. Determination as to the extent of confidentiality for each complaint.
5. Coordination with local law enforcement pertaining to any Title IX allegations.
6. Coordination of all training programs for Title IX.
7. Promote a culture of fairness to all people involved.

Upon receipt of a complaint by any of the above named individuals, that individual shall immediately notify the President of Shawnee Community College and provide the complainant a copy of their written rights.

Upon receiving the complaint, the president through the Vice President of Student Success & Services and/or the Human Resource Director/Affirmative Action Officer shall:

Step 1:

1. Authorize the investigation of the complaint, which will include an interview with the complainant, the accused, and any other person believed to have any knowledge of the allegations surrounding the complaint. Both the complainant and the accused shall have the opportunity to have others present during an interview including the opportunity to be accompanied by a representative during investigations.

Sexual Assault Prevention and Response

The Student Success & Services office offers sexual assault education and information programs to College students and employees upon request. Literature on date rape education, risk reduction, and College response is available through the Student Success & Services office.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Shawnee Community College Campus Security strongly advocates that a victim of sexual assault reports the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a College officer and law enforcement. Filing a police report will not obligate the victim to prosecute; nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault is allowed an opportunity to seek the necessary medical treatment and testing
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Shawnee Community College Campus Security, the Pulaski County Sheriff's Office will be notified as well. The victim

of a sexual assault may choose for the investigation to be pursued through the criminal justice system and the Disciplinary Hearing Committee, or only the latter. The Pulaski County Sheriff's Office, or other law enforcement agency assigned to the investigation, will assist the victim through available options.

Sex Offender Community Notification Law

The Sex Offender Community Notification Law, 735 ILCS 152/120 requires that all sex offenders and predators employed or attending an Illinois college must register with the college's campus safety or security director and provide the same information that they had previously provided to law enforcement.

Student Rights and Responsibilities

The primary concern of Shawnee Community College is the student. The college attempts to provide all students an environment that is conducive to academic endeavor and social growth. The college expects from its students the self-discipline necessary to acquire an education and will aid the student in developing such a skill.

The college community has a responsibility to provide for its members those privileges, opportunities, and protections which best promote the learning process. In order to achieve this goal, all members of the college community must be aware and respectful of the rights of others.

In the interest of promoting the best possible educational environment for members of the college community and remaining consistent with the rights of others, students shall be free to examine and express opinions on all questions of interest to them. Students shall be guaranteed all constitutional rights, including freedom of inquiry, expression, and assembly.

The administration of Shawnee Community College is responsible for maintaining decorum and order on the campus as per chapter 144 paragraph 226 of the Illinois Public Community College Act. Accordingly, in order that normal educational processes can continue without interruption and in order that individual safety, personal freedoms, and property rights can be enjoyed without impairment, disruptive activities will not be tolerated on the campus.

Members of the campus community who participate in unlawful activities which disrupt educational functions have no right to remain members of the campus community. Students will be dealt with in accordance with established disciplinary and administrative processes.

Article 21 of the Illinois Criminal Code, dealing with damage and trespass to property, provides appropriate penalties for dealing with persons who willfully damage state property or trespass on the campus.

Criminal trespass is committed by one who enters an area with notice that entry therein is forbidden or who remains in an area after notice to depart. It is proper to prescribe reasonable regulations as to conditions and times for access to campus buildings. Entrances, halls, and exits must be kept open for normal operations, and the safety of others; buildings are to be cleared and closed at established hours. Persons who violate such reasonable regulations should be notified to depart. This advice and notification should be given publicly and orally by an authorized representative. Thereafter, if such persons remain, law enforcement personnel should be summoned without delay.

Regulations Concerning Student Behavior

The primary responsibility for the supervision of student conduct at Shawnee Community College has been designated to the Vice President of Student Success & Services Office. This office will establish such administrative procedures that may be necessary to fulfill the intent of the code.

Freedom of Expression

Shawnee Community College values freedom and openness in the pursuit of truth. The lively and free exchange of ideas is essential to the intellectual life of the College as well as to the expansion of knowledge itself. Freedom of thought, free speech, and peaceful assembly are rights of citizens and are fundamental to this open inquiry and search for knowledge.

Students of Shawnee Community College express their views through a variety of established means, including Student Government Senate, student affairs, and committees, clubs and organizations. The College has an obligation and responsibility to protect the rights of individuals who do not wish to participate in demonstrations and whose educational or employment pursuits must not be disrupted.

The College has the obligation to ensure the safety of individuals, the protection of property, and the continuity of the educational process. Demonstrations, assemblies, and expressions may not infringe on the rights of others or disrupt essential operations of the College. Shawnee Community College protects the rights of all of its students, faculty, and staff.

In the event Shawnee Community College determines any act, article of clothing, or expression infringes or could infringe upon the rights and/or liberties of another individual, Shawnee Community College reserves the sole and exclusive right to prevent, restrict, or request such behavior to immediately cease or stop in order to protect its students, faculty, staff, and visitors of its campuses, programs, and/or class instruction.

Demonstrations

Shawnee Community College requires notice in advance of any proposed demonstration on campus as follows: students should contact the President's Office at least 24 hours in advance to discuss and arrange any form of demonstration that is proposed to occur at Shawnee Community College. With less notice, the College will try to accommodate a demonstration but may not be able to do so. For demonstrations that are to take place over the weekend, notification should occur before the close of business on Thursday.

Be prepared to tell the College Administration:

- Number of people involved with the demonstration
- Proposed nature of the demonstration
- Contact info for responsible person
- Plans to advertise/inform others about the demonstration

Any persons on College property should be prepared to present a picture ID at the request of campus security. Failure to do so may result in exclusion from campus.

Demonstrations may not interfere with any classes or campus events.

All demonstrations, including distribution of flyers or brochures, must take place outside of campus buildings, stay at least 30 feet from the main entrances to those buildings, and refrain from blocking access to and from the buildings, roads, or sidewalks. The College will clearly mark the 30-foot boundary at public events.

No one may harass, abuse, or intimidate any person on campus. This includes participants and non-participants in the demonstration.

No sound amplification equipment may be used.

All people on campus must follow all directives of campus security or other College officials acting in their official capacity.

Shawnee Community College reserves the right to deny requests for access to the campus by individuals or groups who are not affiliated with Shawnee Community College faculty, staff, students, or that are commercial in nature.

Dress

It is essential for the health, safety, and well-being of students, faculty, staff, and visitors of Shawnee Community College for all persons on property owned and/or controlled by Shawnee Community College to maintain appropriate attire. At all times, unless permission to do otherwise is granted by the College, all persons shall wear a clean shirt, clean pants or clean shorts, and appropriate clean footwear. Shawnee Community College acknowledges each individual's right

and freedom of expression. Shawnee Community College also, however, encourages people to be conscious of others in expressing themselves.

Cell Phone Usage

The use of cell phones during class and college activities interferes with the instructional process and is therefore prohibited. Camera and video cell phones are prohibited in locker rooms and restrooms. In all matters relating to the use of cell phones in the classrooms, the instructor will initially determine the most appropriate cell phone rules in their classroom. The general rule for all cell phone usage is cell phones should be on silent during class time.

Students who are required to carry a cell phone for employment or family responsibilities must inform the instructor at the beginning of the semester. The instructor and student will discuss the need for the cell phone and a decision will be made by the instructor whether or not to allow the use of the cell phone. In cases where cell phones are required and allowed by the instructor, the cell phone must not disrupt the classroom. Students who violate the terms of agreement on the use of cell phones will forfeit the use of the privilege. Students will be responsible for any work that is missed. Students will not be excused to make telephone calls during examination periods. Any observed violation of this code of conduct will be considered an offense as outlined in Section I Offenses #13 – Cell Phone usage during class time.

Lake Rules

Smoke and Tobacco-Free Campus (4387)

To promote a safe, clean, and healthy learning and working environment, and in compliance with the *Illinois Smoke-Free Campus Act* (110 ILCS 64/1), Shawnee Community College prohibits the use of tobacco or smoking products inside college facilities, college vehicles, and on all college property. This includes the burning of any type of cigar, cigarette, pipe, electronic cigarette, or any other smoking device and/or equipment. The use of smokeless/chewing tobacco is also prohibited.

The College specifically adopts the definitions set forth in the provisions of the Illinois Smoke Free Campus Act as a part of this policy. This policy applies to any individual on campus property, including but not limited to students, employees, contractors, subcontractors, volunteers, visitors, and members of the public and it is the responsibility of each individual to comply with this policy.

For first time offenses by a student, reprimand shall be the appropriate punishment. For second and subsequent offenses, the College reserves the right to impose probation, suspension and/or expulsion from the College as a form of punishment against a student found in violation of this policy.

The process of student discipline found in the Student Handbook and adopted by the College as a part of its policies shall be the method of enforcing this policy.

As for staff and employees of the College, the College reserves the right to impose a punishment and/or penalty as the College may do in any other employment related matter that is in violation of the policies and procedures of the College.

As for other persons who are not students, staff or employees of the College, the College reserves the right to request a person in violation of this policy to be removed from the College, campus property and may even include that person being barred from College property and campuses at the sole and exclusive discretion of the College.

Any student, staff member and/or employee may appeal a decision that is determined in violation of this policy in accordance with the procedures found in the Student Handbook and/or policies and procedures adopted by the College as such procedures apply.

Any person not a student, staff, or employee of the College may appeal any action of the College first to the College President's office for reconsideration and then to the College Board of Trustees. Any person desiring to appeal a decision in accordance with this paragraph must contact the College President's office to arrange a time to speak with the College President and/or Board of Trustees.

Chronic Communicable Diseases (4390)

Shawnee Community College places a high priority on the need to prevent the spread of chronic communicable diseases on campus. The college is committed to educating staff, students, and the community about communicable diseases. Specifically, because there is currently no cure or vaccine for acquired immune deficiency syndrome (AIDS), education regarding methods by which this virus may be transmitted and how to prevent transmission is essential. By adopting this policy, it is the intention of the College to promote the health and regular class attendance of our students so that they may attain their maximum potential for learning.

Students with Chronic Communicable Diseases

Students with identified chronic communicable diseases may attend college whenever, through reasonable accommodation, the risk of transmission of the disease and/or the risk of further injury to the student is sufficiently remote in such setting so as to be outweighed by the detrimental effects resulting from the

student's exclusion from college. Placement decisions will be made by using this standard in conjunction with current available public health department guidelines concerning the particular disease in question. Individual cases will not be prejudged; rather, decisions will be made based upon the facts of the particular case. The determination of whether a student with a chronic communicable disease may attend college shall be made in accordance with procedures implemented by the college. The college shall respect the right to privacy of any student who has a chronic communicable disease. The student's medical condition shall be disclosed only to the extent necessary to minimize the health risks to the student and others. The number of personnel aware of the student's condition will be kept at the minimum needed to assure proper care of the student and to detect situations in which the potential for transmission of the disease may increase. Persons deemed to have "a direct need to know" will be provided with the appropriate information; however, these persons shall not further disclose such information.

Drug and Alcohol Abuse (4380)

Shawnee Community College recognizes drug and alcohol dependency as an illness and a major health problem. The College views drug and alcohol abuse as having a debilitating effect upon a person's physical and emotional wellbeing.

No student or employee shall be under the influence of drugs or alcohol while on campus or associated with campus activities due to the effect on the educational system of the college. Students or employees needing help in dealing with such problems may be required to complete an appropriate rehabilitation program.

Accordingly, the college expressly prohibits the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance or alcohol upon any property owned, leased, or occupied by the college, or as part of any of the college's activities. Any student or employee who is found to have violated this policy shall be subject to disciplinary action up to and including expulsion or termination.

All employees must notify the President or his/her designee of any convictions relating to the work place within five days after the conviction. The President or his/her designee shall notify the federal or state grantor agency of the conviction within ten days to ensure compliance with the Drug-Free Work Place Act. The use of alcohol while on Shawnee Community College-owned or -controlled grounds, including meal periods and breaks, is absolutely prohibited except when authorized by the College for approved College functions.

Alcohol and Controlled Substances Compliance and Testing Policy (4381)

The use of alcohol and illegal drugs has been demonstrated to significantly affect the performance of individuals and has been proven to have been a critical factor in injury incidents. Shawnee Community College is committed to providing a

Prohibited Conduct Under This Policy

4. When specified by the final educating body.

Instructor authority to remove students from classrooms

An instructor may temporarily remove a student from a class if it is determined by the instructor that the student's continued presence would unduly disrupt the learning process or endanger the physical well-being of other persons willfully in the area. If feasible, a temporary removal of a student from a class should be communicated orally and in writing simultaneously to the student. The reasons for the removal action should be clearly stated. If prompt action makes it difficult to communicate orally and in writing simultaneously, then such removal should be followed by a written communication as soon as possible. All such incidents must be reported to the Vice President of Student Success & Services and the Vice President of Academic Affairs & Student Learning in writing as soon as possible. Any student removed from a class may be readmitted to that class only by the Vice President of Student Success & Services. Under normal circumstances Vice President of Student Success & Services will render a decision within 48 hours.

Authority of the Vice President of Student Success & Services to impose penalties and sanctions

Formal disciplinary action shall be instituted against the student after it is determined that such action rather than medical or counseling referral is appropriate. The sanctions outlined below may be imposed upon a student by or in the name of Shawnee Community College as stipulated by this code.

Temporary suspension from class

The Vice President of Student Success & Services may temporarily suspend a student from a class for a period not to exceed ten consecutive school days if the student is reported by an instructor to be guilty of an offense as outlined in Section I or II-Offenses. Such temporary suspension may be a prelude to the imposition of formal penalties or sanctions as indicated below. The Vice President of Student

Success & Services may take this action with or without the opportunity for the student to make up missed classes, work, and assignments. In the event a student is suspended, the student shall be afforded an opportunity to request a review hearing before the Disciplinary Hearing Committee.

Formal penalties and sanctions

The College President may impose the following penalties and sanctions: expulsion, suspension, probation, or reprimand.

President's authority to impose interim suspension from the college

If the presence of any person is an immediate and serious threat to the persons or property willfully on Shawnee Community College's campus, the President of the college or his designee may impose an interim suspension from the college against any person in cases in which there is reasonable cause to believe that such person has created an act which is in violation of the offenses listed in this code of student conduct. A person so placed on interim suspension shall be given a prompt notice of charges and a hearing before the Disciplinary Hearing Committee within ten calendar days after the imposition of the interim suspension.

During the period of interim suspension persons shall not, without prior written permission of the President or his designee, enter or remain upon the campus of Shawnee Community College other than to attend his/her hearing. Violations of any conditions of the interim suspension shall be grounds for dismissal from the college.

Sanctions against student organizations

Sanctions may be imposed by the Vice President of Student Success & Services in the case of offenses by student organizations as follows:

1. Temporary or permanent suspension of chapter recognition.
2. Loss of privileges of a recognized organization and the use of Shawnee Community College facilities.
3. All sanctions against student organizations may be appealed to the Disciplinary Hearing Committee. Organization representatives should file a written request for a hearing with the Vice President of Student Success & Services.

Hearing Committee

1. The Disciplinary Hearing Committee shall have original jurisdiction for hearing all disciplinary cases in which the sanction should be disciplinary suspension or disciplinary dismissal from Shawnee Community College. This committee will also hear all appeals involving all other sanctions except temporary class suspensions and interim suspensions from the college. The Disciplinary Hearing Committee shall be comprised of four members of the Student Success & Services Committee and one Student Senate member.

2. The Vice President of Student Success & Services shall establish such administrative procedures as will enable the committee to carry out its duties.

Appeals

Right to Appeal:

1. Students and student organizations have the right to appeal decisions in all disciplinary cases. The appeal must be made in writing to the Vice President of Student Success & Services within five college working days. A hearing must be held within ten college working days of receipt of the notice of appeal.
2. While an appeal is pending, all sanctions imposed, unless a temporary class suspension from the college has been ordered, shall be held in abeyance and the student's status on campus shall in no way be affected.
3. As briefly stated, all sanctions involving expulsion or suspension are automatically heard by the Disciplinary Hearing Committee.
4. Other sanctions may be appealed to the Disciplinary Hearing Committee on written request to the Vice President of Student Success & Services.
5. Final written appeal for the sanctions of expulsion or suspension may be made within five college working days to the President of the College and the Board of Trustees. The President must respond to the appeal within ten college working days. The Board of Trustees may or may not respond within thirty college working days.
