- **In no event shall escrow coursework be treated for completion of high school credit. Students wishing to have credit included for high school should complete the Dual Credit Enrollment form.**
- Each student will be allowed to enroll in vocational, personal development or physical education courses that are not offered by his/her respective high school without meeting the testing requirements above.
- Nine Semester hours of credit is the maximum number of hours a student can enroll each semester.
- **Students with incomplete applications will not be enrolled in the Accelerated Studies Program.**
- Students must maintain a Shawnee Community College GPA of 3.0 or above to continue in Accelerated Studies Program.
- Students who complete 15 college credits prior to graduating from high school and have a SCC GPA of 3.0 or above are eligible for continued tuition/fee waiver and book loan through the following academic year.
- No escrow student will be allowed to take developmental coursework.
