

Shawnee Community College (SCC) is the southernmost College in the state of Illinois. It is located in the Shawnee National Forrest in Ullin, Illinois. In conjunction with VESTA, SCC currently offers 1-year Certificates in Applied Viticulture and Enology Assistant and 2-year Associates of Applied Science degree in Viticulture & Enology. All courses to satisfy degree requirements are offered over the Internet. General Education requirements can be completed locally or transferred from another accredited higher education institution.
