The "Ed" Monthly

(also known as) "All the news that will fit on one page!"

Welcome to College!

Hello and welcome (or welcome back) to Shawnee Community College! This is the Ed Monthly and its purpose is simple: to tell you what is going on in and around the Educational Center. That being said, not much is going on right now in the Educational Center. I'm sure you've seen in the news how the State Legislature is presently approving a fiscal budget. Since we are partially a state-funded institution, this means we aren't certain how much money we can spend on extracurricular activities until the state is certain how much to allocate SCC. But rest assured, we will have programming in the Ed Center! In fact, please examine our complete season printed less than three inches away. We have also introduced an SCC student discount this year. Many of these events will be either cheap or free. Anyway, if you have any questions, write me at brentm@shawnecc.edu. See you around campus!
