Spring 2017 Update

SCC Department of Institutional Research

Shawnee Community College's mission is to serve the needs of the student and our diverse community by providing quality higher education, community education, training, and services that are accessible, affordable, and promote life-long learning.

SCC Mission

Shawnee Community College's mission is to serve the needs of the students and our diverse community by providing quality higher education, community education, training and services that are accessible, affordable, and promote life-long learning.

"Shawnee Community College promotes student learning through the values of the community college concept, recognizing uniqueness of each individual and the diversity of his/her needs. The college is dedicated to utilizing the resources of the institution to provide a comprehensive program to meet those diverse needs and improve the quality of life for each individual. The college strives for continuous improvement through evaluation of programs, institutional effectiveness, and through assessment of student academic achievement." Shawnee Community College Catalog 2016-2017, Volume XXVIII

Institutional Demographics

Retention Rates

Status	FA16	FA15	FA14	FA13	FA12
Full-time	55%	54%	55%	49%	47%
Part-time	53%	51%	53%	38%	36%

SOURCE: submitted IPEDS reports: Full Time retention rates are defined as the number of full-time, first-time, degree/certificate-seeking undergraduate students who enter the institution for the first time in the fall and who return to the same institution the following fall (as either full- or part-time), divided by the total number of full-time, first-time, degree/certificate-seeking undergraduates in the fall of first entrance. Part-time retention rates are similarly defined. This rate is calculated for all first-time degree/certificate-seeking students.
