

Associate Degree Nursing A.A.S.

Degree Code: RN-2227

Minimum GPA: 2.0

Minimum Hours: 65

Name: _____ ID: _____ Date: _____

The Associate Degree Nursing Program is designed to provide career mobility for persons who have successfully completed a practical nursing program. This unique program is designed to prepare the student for the practice of professional registered nursing as defined in the Illinois Nurse Practice Act and meets the requirements for approved schools in Associate Degree Nursing in Illinois. This program does not maintain an open door policy. Admission to the program requires a separate application and admission test. Upon satisfactory completion of the program, the student will be eligible to write the NCLEX-RN Examination. This ADN program will transfer into various Bachelor of Science Degree in Nursing (BSN) programs. Interested students should seek advisement.

	1	ADN 201	Orientation
