

Information Processing-Technology AAS

Degree Code: IMS-2209

Minimum GPA: 2.0

Minimum Hours: 62

Name: _____ ID: _____ Date: _____

Information Processing involves coordinating people, equipment, and procedures to organize information in a meaningful way within an organization. Information Processing has become a common term referring to the electronic processing of various categories of information (data, words/text, graphics, images, numbers, and voice). This program seeks to prepare the individual for employment in the workplace as a processor of information using automated/electronic technology.
