

Nail Technology Certificate

Degree Code: NLT-1128

Minimum GPA: 2.0

Minimum Hours: 16

Name: _____ ID: _____ Date: _____

The Nail Technology certificate is designed to prepare students for careers as manicurists and pedicurists by becoming licensed Nail Technicians. Students will learn the theory and application of nail technology in a classroom and clinic setting. Students will enhance their learning by working with other students, mannequin hands, and clients in a clinic setting. Upon successful completion, students will have gained the knowledge and skills necessary to pass the Illinois Department of Financial and Professional Regulation licensing exam.
