SHAWNEE COLLEGE COURSES		SIUE NURSING CURRICULUM	
<u>Summer</u>		<u>Summer</u>	
BIO 215 *	Intro to Human Physiology	BIO 240b	Anatomy & Physiology II

\*This course may be completed in the fall along with the SIUE nursing courses. However, the SIUE School of Nursing prefers that A&P I and A&P II be taken at the same school.

This is the recommended sequence for students interested in transferring to SIUE School of Nursing. **All admission prerequisite courses must be completed by the end of the spring semester prior to the fall you wish to enter the nursing program.** Nursing is a special admission program and very competitive. Completion of these prerequisite courses does not guarantee admission to the SIUE School of Nursing. It is the student's responsibility to contact the academic advisors in the SIUE School of Nursing to confirm all information and receive additional information which may be required.

NOTES:	For additional information, please contact:
1) Apply to SIUE after applying to the School of Nursing	Mary Smith, Academic Advisor (618) 453-4349 or <a href="mailto:marysmith@siu.edu">marysmith@siu.edu</a>
2) Apply to SIUE School of Nursing – applications available September 15 & due by March 1	
3) Take the HESI A2 test – test dates available from October through February
