**Proficiency Credit**

A student who has acquired knowledge and competency applicable to an educational goal through formal or informal means may earn credit and/or exemption from certain course requirements through proficiency examinations. The Division Chair will assign a full-time faculty member to administer and score the exam. Credit received from Proficiency Examinations will not count in the current semester hours and, therefore, will not calculate in part-time/full-time status and/or toward financial aid. Credit granted for Proficiency Examinations will appear on the student’s transcript.

Financial assistance at Shawnee Community College is available in the form of scholarships, grants, part-time employment, and private loans to meet a student’s financial need.

Financial need is generally considered to be the difference between one year’s educational expenses (tuition and fees, books, room and board, transportation costs, etc.) as determined by an average student’s budget and the student’s resources for the same period. Student resources are expected to include assistance from parents, guardians, relatives, personal savings, other scholarships, grants, and personal earnings. Students are responsible for providing from their own, and their families,’ resources as much of their educational expenses as possible.

**Academic Year**

The Shawnee Community College academic year for all financial aid programs is defined as one fall semester and one spring semester; each including a minimum of 15 weeks of instruction and during which a full-time student earns a minimum of 12 credit hours each semester. All programs, even those utilizing semester terms with multiple starting dates, fall under this definition. The summer semester ends the preceding academic year.

Each semester (fall, spring, and summer) is considered a payment period for financial aid purposes. Financial aid payments are made to each eligible enrolled student at least once each fall and spring semester. Pell payment may also be made for the summer semester if the student has funding remaining for the academic year.

All financial aid disbursements are made based on the same credit hour requirements, including summer disbursements (i.e., 12 eligible hours or more equals full-time; 9-11 eligible hours equals three-quarter time; 6-8 eligible hours equals half-time, and 5 eligible hours or less equals less-than-half-time). This conforms to the Department of Education’s Title IV Policy.

Federal Pell and Federal Supplement Educational Opportunity Grant disbursements to students’ accounts, and to students, are made around a week after midterm they are based upon the actual eligible hours the student is enrolled on the published Pell Status Date.

Financial Aid Processing

Processing of a student’s financial aid begins when the student has on file a Student Aid Report (SAR), an Institutional Student Information Record (ISIR), or presents written authorization from another funding source authorizing payment for student charges. The student’s eligibility status and other pertinent information will be entered into the financial aid computer files, and further information or documentation requested as necessary. The student’s eligibility based upon the SCC Standards of Satisfactory Academic Progress will be checked.

Students chosen for verification will be requested to provide the necessary documentation. (Verification is the process whereby the Director of Financial Aid will verify from documents provided that the information used in determining the student’s financial aid eligibility is accurate.)

No disbursement of financial aid can be made until it can be certified that the information used is accurate and a valid SAR or ISIR is on file. Once this has been done, the student’s financial aid will be delivered based on the normal disbursement schedule.
Pell awards will be made, and Pell funds disbursed, based upon the accurate number of eligible credit hours the student is enrolled in on the identified and published date (the Pell Status Date) each semester of the student’s program. Hours added or dropped after that date will not result in an increased or decreased Pell award for the semester (if the student has completed 60% of the class).

**Student Financial Aid Packaging**

Shawnee Community College develops student financial aid awards based upon the philosophy that all enrolling students should be treated in a similar, fair, and consistent manner. Financial aid is made reasonably available, to the extent of available funds, to all eligible students throughout the academic year. Estimated financial aid is proposed each year to assist in meeting the individual student financial need.

Since Shawnee Community College has no discretionary funds to award (other than scholarships which all have a specified application process), packaging per se is not done. Shawnee Community College uses an award notification process to notify students of their eligibility.

Student financial need is determined by subtracting the Expected Family Contribution (as indicated on the federal Student Aid Report—SAR) from the student’s Cost-of-Attendance (as determined from average student budgets developed annually).

\[
\text{Cost of Attendance} - \text{Expected Family Contribution} = \text{Student Financial Need}
\]

All awards are estimated based on the information available when the process is done. Actual awards may vary based upon federal and state funding, student eligibility, student choice, work-study employment opportunities, and other factors. Award letters are normally issued before or at the beginning of the fall semester, but will continue to be issued whenever a student submits all Financial Aid information. Revised award letters will be sent to the student, if necessary, as a Title IV award changes. All award letters reflect anticipated full-time attendance; awards will be reduced, as necessary, for less-than-full-time students.

**Campus-Based Financial Aid**

Campus-Based Financial Aid refers to the Federal Supplemental Educational Opportunity Grant (FSEOG) and the Federal Work-Study Program. A certain sum of money is provided to Shawnee Community College each year through these programs, which must be disbursed to qualified students according to the federal regulations governing the programs.
All students who have submitted a valid SAR or ISIR and completed any other necessary application steps are considered for the FSEOG grant. Money must first be awarded to the students with the lowest Expected Family Contribution (EFC) who will receive a Pell grant. That process is followed as students submit the required eligibility proofs until the money has all been awarded. SCC allocates a major portion of the money received for students enrolled in the summer semester, and divides the remainder of the money between the fall and spring semesters.

Federal Work-Study funds are used to place eligible student workers in part-time jobs on the basis of the students’ needs, the jobs available, and the student’s ability to perform the jobs that are available. Students apply for both Federal Work-Study and Institutional Work-Study jobs by reviewing the current job openings and contacting the Financial Aid Office.

Appeal of Financial Aid Decisions

Appeals to financial aid awards and other financial aid decisions may be made by following the appeal process described as part of the Satisfactory Academic Progress Policies.

Schedule of Disbursements

Disbursements of financial aid at Shawnee Community College are scheduled as follows:

- **Federal Pell Grants**
  - On the announced date each semester, approximately one week after the date of midterm.

- **FSEOG Grants**

- **Outside Scholarships**
  - As determined by the individual scholarship or benefit source, and/or after all debts to the College are paid.

- **Benefits**

- **Work-Study Wages**

- **SCC Scholarships**
  - No cash disbursements made; approved amount is credited to the student account.

- **ISAC MAP Grants**
  - No cash disbursement made; approved amount is credited to the student account as received.

Overpayments/Over Awards

Awarding the student more Title IV financial aid than the student is eligible for, or more than the student’s cost of attendance, is strictly prohibited by federal regulations. Specific steps to follow to correct such over awards are outlined in federal guidelines. When a student receives more Title IV funds than he/she
should have received, it is the responsibility of the student to repay the excess award, even if it was an error on the part of the College that caused the over award. If the College was at fault, the school will repay the funds to the federal government and collect the funds from the student. If the error was not the College’s fault, the money will be repaid by the student and forwarded to the federal program.

Return of Title IV Funds

Title IV funds refer to federal student aid that is authorized through Title IV of the Higher Education Act. At Shawnee Community College, Title IV funds refer to the Federal Pell Grant, the Federal Supplemental Education Opportunity Grant (FSEOG), and the Federal Work-Study program. Shawnee Community College no longer participates in the federal student loan programs. Only Pell and FSEOG are considered for the purpose of Return of Title IV funds.

Title IV funds are earned by a student by enrolling in and attending eligible college classes. Whenever a student withdraws from all classes (whether officially or unofficially) before 60% of the semester has been completed, a portion of the Title IV Aid that the student was awarded must be returned to the federal government, since it is considered to be unearned financial aid. That percentage of the unearned aid that would have been used to pay tuition, fees, and books is returned by the school. Some portion of the remaining unearned aid must be returned by the student. It is important that students be aware of this consequence of officially or unofficially withdrawing from all classes.

Whenever SCC becomes aware that a student has withdrawn from all classes, the Financial Aid Office will determine if unearned Title IV aid must be returned, and the amount that The College and the student, respectively, must return.

A student officially withdraws by notifying the Registrar of the intent to withdraw, and processing official withdrawal forms. For college refund purposes, the official date of withdrawal is the date that the completed forms are received by the Bursar’s Office. For return of Title IV funds purposes, however, the withdrawal date utilized is the date that the student first declared his/her intent to withdraw to the Registrar’s Office. If the student continues to participate in academic activities after declaring intent to withdraw, the last documented date of academic activity may be used as the date of withdrawal.

A student unofficially withdraws when the student stops attending all classes, or is officially dropped for non-attendance by all instructors on the 10th day and/or midterm date. Either the calendar day midpoint, or the last documented date of academic activity in the semester may be used as the withdrawal date for unofficial withdrawals, at the discretion of the Financial Aid Office. ATTENDANCE IS VERY IMPORTANT. POOR ATTENDANCE COULD
CAUSE YOU TO BE DROPPED FROM CLASS. IF YOU ARE DROPPED FROM CLASS, YOUR FINANCIAL AID COULD BE ADJUSTED. IF YOU HAVE QUESTIONS, PLEASE CALL THE FINANCIAL AID OFFICE.

Unearned Title IV funds that must be returned will be returned first to the Federal Pell Grant program, then to the FSEOG program, as appropriate. Since SCC does not participate in the federal student loan programs, there will be no loan funds to return. The Shawnee Community College portion of unearned Title IV funds will be returned to the Department of Education. If this results in an unpaid balance on the student’s account, the student will be billed for the unpaid balance.

If the student is required to return a portion of the Title IV funds, SCC will notify the student of the requirement and amount to be returned within 30 days of SCC becoming aware that the student has withdrawn. The student may return the money or arrange a repayment plan through the Department of Education. If the student has not returned the required unearned funds or set up a repayment plan with the Department of Education within 45 days of the notification, The College will report an overpayment of Title IV funds to the Department of Education through the National Student Loan Data System. The student will be ineligible for any further Title IV funds for attendance at any college or university until repayment has been arranged. Examples of the process used to determine unearned Title IV funds to be returned can be viewed by the student at www.shawneecc.edu under the Financial Aid section.

6. Let Shawnee Community College know if you receive any other scholarships, grants, employer tuition benefits, public aid educational benefits, or other financial aid for educational purposes.

7. Keep your own student financial aid file, with copies of all of the correspondence, applications and notifications you have received regarding your financial aid. It is not the school's responsibility to keep your records for you.

It is the student's RIGHT to:

1. Receive a fair and objective assessment of financial aid eligibility.

2. Expect prompt and courteous personal service from Shawnee Community College staff. We are anxious to be of help and want to hear from you if you have comments about our service.

Your application may be chosen for verification by the U.S. Department of Education, ISAC, or Shawnee Community College. You must provide any additional information requested. Failure to do so in a timely manner could result in loss of your financial aid.
Financial Aid Grievance Procedure

A grievance means a complaint by a student that there has been unjust and/or injurious treatment to the student by college staff. Before a grievance can be filed, the student must attempt to resolve the complaint through discussions with the staff member(s) concerned. If such informal discussions do not lead to satisfactory resolution of the complaint, a formal grievance may be processed according to the following procedures:

Step 1:
1. Within ten calendar days of the termination of efforts to informally resolve the complaint, a legibly written statement of grievance shall be prepared, signed, and delivered to the Director of Financial Aid.
2. Within five work days after the written grievance is submitted, the Director shall convene a meeting including the student and the staff member concerned to resolve said grievance.
3. The Director will answer the grievance in writing within ten calendar days after such meeting. (Copy will go to staff member(s)).

Step 2:
1. If the grievance is not resolved in Step 1, the student must within seven calendar days of the Step 1 answer, submit a legibly written statement of the grievance and a copy of the Director's decision (from Step 1) to the Vice President of Student Success & Services.
2. Within ten work days of receipt of the documents specified in Part 1 above, the Vice President of Student Success & Services shall convene the Scholarship Committee for a hearing of the grievance and the staff members concerned will be required to attend.
3. The Scholarship Committee will hear the grievance, render a decision, and submit the decision in writing to the student and staff members concerned within ten calendar days of said hearing.

The Scholarship Committee's decision is final and ends the financial aid grievance procedure.

Standards of Satisfactory Academic Progress for Financial Aid Recipients(8153)

It is the policy of the Board of Trustees to comply with all federal and state laws as it relates to financial aid procedures. The Standards of Satisfactory Academic Progress (SAP) at Shawnee Community College are compliant with U. S.
Department of Education regulations, other relevant federal regulations, and the policies of the Illinois Student Assistance Commission. The Shawnee Community College Financial Aid Office is responsible for ensuring that all students who receive federal and state student financial aid are meeting these standards. This policy will be amended whenever applicable federal or state laws or regulations are changed. Other amendments to the policies will be considered through Shawnee Community College policy revision procedures.

Each student who receives federal and/or state student financial assistance must maintain SAP, according to the policies outlined below, in order to continue to receive financial aid. These policies determine SAP in relation to eligibility for the Federal Pell grant, Federal SEOG grant, Federal Work-Study, Federal Veteran’s Administration Benefits, SCC Institutional Work-Study, the Illinois Student Assistance Commission’s Monetary Award Program, and the Illinois Veteran’s Grant, Illinois National Guard, and MIA/POW Scholarship.

At Shawnee Community College, an academic year is defined as two semesters of 15 weeks or more (fall and spring semesters). The summer semester is considered to be part of the previous academic year. In order to assure that a student is satisfactorily progressing toward a certificate or degree, the progress of each student who has received financial aid for at least one of the prior terms in the Shawnee Community College academic year will be assessed after each semester to determine the progress made for the last semester of attendance. Students, who have attended SCC in the past, whether or not they received financial aid, will be assessed prior to receiving aid. Grade and time requirements are in effect for all attempted credit hours, whether the student received financial aid or not. Student progress will be measured in the most recent formally declared program. Transfer students will be assessed for SAP related to grades and percentage of hours earned based only upon courses attempted at Shawnee Community College. Certificate or degree completion will be assessed on Shawnee Community College hours and on hours formally transferred and accepted by Shawnee Community College.

Grade Requirements

Each financial aid recipient must be enrolled in an eligible certificate or degree program, and maintain at least a 2.00 cumulative grade point average (GPA) (equivalent to a “C” average) on a 4.00 scale. As long as the cumulative GPA is 2.00, regardless of the current GPA, the student is maintaining satisfactory progress in relation to grade requirements.

Whenever a student's cumulative GPA drops below 2.00, the student will be placed on financial aid warning for the following semester. During the warning semester, the student must attain a 2.00 cumulative GPA to retain financial aid eligibility.

If the student does not attain a 2.00 cumulative GPA during the warning semester, the student will no longer be eligible, and will be placed on financial aid
suspension. No additional Title IV financial aid will be awarded the student until eligibility is reinstated.

Following the semester in which the cumulative GPA reaches 2.00, the student will be taken off of warning or suspension.

Maximum Time Frame

A student is expected to complete an Associate Degree after attempting no more than 96 credit hours (150% of 64); to complete a one-year Certificate program after attempting no more than 51 credit hours (150% of 34); and to complete a less-than-one-year Certificate program after attempting no more than 24 credit hours (150% of 16).

Due to required prerequisites in the LPN/ADN programs before a student will be formally accepted into the programs, an LPN student is expected to complete the Certificate after attempting no more than 77 credit hours (150% of 51) and an ADN student is expected to earn the Associate Degree after attempting no more than 122 credit hours (150% of 81).

Hours Requirement

Once the allowable level of credit hours attempted has been reached, the student will be placed on financial aid suspension until the appropriate certificate or degree has been completed. To maintain academic progress over time, a student must, by the end of the first full academic year of attendance (one fall and one spring semester), and each year thereafter, have successfully earned 67% of attempted hours. Attempted hours are all hours the student is still enrolled in after the 10th day of each semester. If 67% of attempted hours have not been successfully completed, the student will be placed on financial aid warning for one semester. During the warning semester, the student must enroll in and pass enough hours to have successfully earned 67% of attempted hours by the end of the semester.

If the student does not attain the 67% level during the warning semester, the student will no longer be eligible and will be placed on financial aid suspension. No additional Title IV financial aid will be awarded to the student until eligibility is reinstated.

When a student is placed on financial aid warning, probation, or suspension, a notification e-mail is sent to the student. SAP information is available on mySCC. However, lack of receipt of a notification email does not nullify the warning or suspension status.
Failures, Incompletes, Withdrawals, Audits, ABE/High School Equivalency, and Community Education courses are not counted as successfully-completed credit hours. Repeated courses are counted in the review of grade point averages and as an attempted course. All other credited courses, including pass/fail courses and remedial courses, are also counted.

If a student’s grade is changed after a designation of financial aid warning, probation, or suspension, it is the student’s responsibility to notify the Financial Aid Office. Changes are not final and are not considered for financial aid purposes until officially recorded on the student transcript. Withdrawal from school will not change the student’s SAP standing upon re-entering (i.e. if the student was ineligible upon withdrawing from school, he/she will still be ineligible when they return)

Monitoring Procedures

Satisfactory progress toward the completion of a degree or certificate, the percentage of hours attempted that have been earned, and the federal requirement for a 2.00 cumulative GPA are monitored by the Financial Aid Office at the end of each semester for all enrolled students.

Appeals

Students not meeting one or more of the SAP standards of SCC will be ineligible for continued financial assistance, as described, unless an appeal that justifies reinstatement is submitted and approved. A student may appeal suspension of financial aid by submitting, in writing, any mitigating circumstances that prevented the student from making the required progress.

An appeal letter, along with supporting documentation, appeal form, and degree audit should be sent to the Financial Aid Office at Shawnee Community College. The merit of the appeal will be determined by the Shawnee Community College Scholarship Appeals Committee, which serves as the financial aid advisory committee, at their next regularly scheduled meeting after the appeal is received. If the appeal is approved, the student’s status is changed to probationary. The Scholarship Committee decision shall be final.

Reinstatement

Students on probation or warning for grade requirements retain probationary or warning status as long as their current grade point average is 2.00 or better.

Students who are on suspension because a certificate or degree has not been completed within 150% of attempting the normal credit hours needed will be
reinstated after they have processed an approved graduation application for the appropriate certificate or degree, and have been placed on the graduation list. Students who are on suspension because they have not successfully earned 67% of attempted hours will be reinstated after they have successfully earned 67% of attempted hours.

To reinstate probation or warning financial aid status after having eligibility suspended, the student must have an appeal approved and enroll. The student must earn a minimum of six (6) semester hours and attain a 2.00 current GPA for all enrolled hours during the semester. Reinstatement without probation will occur when the student’s cumulative GPA is 2.00 or better.

Reporting Potential Fraud and Abuse (8155A)

The student will first be notified of the situation and asked to come in to discuss the problem. If there are findings, they will be reported, in writing, to the Inspector General’s Office and a copy of the report will be sent to the student. The College will cooperate in any way with the ensuing investigation by the Inspector General’s Office. Fraudulent statements that might affect the student’s eligibility for student financial aid may include, but are not limited to: the use of false identities and/or social security numbers; forgery of signatures or certifications; false claims of income, citizenship, or independent student status; and false certifications relating to previous attendance at other post-secondary institutions, defaults, and repayments.

Special Circumstances (8157A)

Special Circumstances cases will be considered only at the request of the student and at the discretion of the Director of Financial Aid/Veterans, if the student meets one of the outlined criteria for review, and provides proper documentation. In all such cases, eligibility decisions will be made based upon the particular circumstances of each individual student. All unusual circumstances will be documented in the student’s file, as well as the decision made and the actions taken.

The Director of Financial Aid/Veterans is designated the Financial Aid Administrator (FAA), and, as such, shall be the individual responsible for determining financial aid eligibility, based upon current Title IV regulations, Shawnee Community College policies and procedures, and required documentation.

No Title IV financial aid disbursements (including federal Pell and FSEOG grants, ISAC MAP grants, and Federal work-study wages) will be approved without a valid Student Aid Report/Institutional Student Information Record on file in the Financial Aid Office.
Once the student initiate a formal request for review by completing a Request for Designation as an Independent Student form or Request for Professional Judgment Consideration form, along with required documentation as detailed on the form or instructed by the FAA, the FAA will begin the individual review.

**Dependency Override**

**Independent Status**
The FAA may review the Request for Designation as Independent Student form on a case-by-case basis for students with unusual circumstances. Dependency Overrides do not carry over from one award year to the next. The FAA must reaffirm each year that the unusual circumstances persist and an override is still justified.

Documentation is critical to the dependency override process. The documentation must support, and include the reason for, the decision and should, in almost all cases, originate from a third party with knowledge of the unusual circumstances for the student.

The following are possible special circumstances:

1. Since applying for financial aid, the student’s only remaining parent has died.
   
   Documentation: Death Certificate

2. All normal family contact has been terminated between the student and the natural parents.
   
   Documentation: Students written, confidential explanation of family circumstances, signed statement of certification of circumstances by related adult or professional counselor

3. The student has lived with a family member other than the natural parent, or another responsible adult, for a minimum of one year prior to the beginning of the academic year in question, and has not been supported by the parents during that time. This could be due to unusual circumstances, such as an abusive family environment that threatens the student’s health or safety.
   
   Documentation: Signed statement from the adult or family member that the student has lived with them on a continuous basis for a minimum of one year, and that the adult or other family member, and not the parents, have been supporting the student during this time. - Signed statement corroborating the circumstances by a professional counselor.

4. The student does not know the specific whereabouts of either natural parent, and/or has not had contact with either natural parent within the past two years, and does not have a legal guardian appointed by the courts.
   
   Documentation: A statement by the student, and another adult family member or professional counselor certifying to the above circumstances.
If the FAA determines that an override is appropriate, the determination must be made and retained with supporting documentation. However, none of the conditions listed below, singly or in combination, qualify as unusual circumstances meriting a dependency override.

1. Parents refuse to contribute to the student’s education.
2. Parents are unwilling to provide information on the FAFSA or for verification.
3. Parents do not claim the student as dependent for income tax purposes.

Student demonstrates total self-sufficiency (per FSA Handbook).

**Professional Judgment**

In unusual circumstances, a student’s family base-year income or assets may not accurately reflect the income/assets available to the family for the academic year. The FAA may use Professional Judgment on a case-by-case basis only to adjust the student’s cost of attendance. Such circumstances might include, but are not necessarily limited to, those listed below. These and other circumstances may be considered by the FAA on an individual basis. If circumstances warrant, appropriate data changes will be submitted to correct the Student Aid Report to adjust the student’s Estimated Family Contribution (EFC).

1. Medical/dental bills paid during the previous year, or to be paid during the current year.
   
   **Documentation:** Proof of bills/premiums paid, or an agreement for pay on a regular basis. The FAA will take in account the Income Protection Allowance (IPA) for medical care described in the FSA Handbook.

2. A recent layoff, job termination, or greatly reduced income due to a plant or business closure or downsizing, where the likelihood of comparable re-employment is poor.
   
   **Documentation:** Proof of unemployment or reduced hours.

3. Termination or reduction of employee hours in order to attend classes on a full-time basis as required by the student’s program of study.
   
   **Documentation:** Proof of unemployment or reduced hours, and participation in a curriculum requiring full-time attendance.

4. Loss of Social Security benefits to a family for the student who has attained 18 years of age but will be a full-time college student.
   
   **Documentation:** Notice of termination of benefits from Social Security.

5. Loss of other benefits received on a regular basis, such as child support.
   
   **Documentation:** Notification of termination of other benefits.

6. A one-time payment of income or benefits in the previous year that will not be repeated in the current year, such as an IRA.
Documentation: Proof of one-time payment or cessation of payments.

7. Divorce, separation, death or disability of a family member.
Documentation: Divorce decree, Death Certificate, statement certifying separation, physician’s statement of disability.

8. A student or supporting parent/guardian has been the victim of a natural disaster (tornado, flood, fire, etc.) during the past or current year that has reduced available assets or income upon which eligibility was based.

If other circumstances exist, the student must contact the FAA for them to possibly be considered.
GRADING/RECORDS

Class Assignments/Syllabus

On the first day of every class, the instructor will provide students with a syllabus. This will outline the expectations of the class, the name of the textbook, the reading assignments, projects, test dates, and grading system for the course. Students are expected to follow the syllabus and complete all the work by the due dates. It is students’ responsibility to keep track of assignments and the due dates!

Grade Point Average (8161A)

GPA = \frac{\text{total grade points earned (A,B,C,D, and F grades)}}{\text{total semester hours attempted}}

A student’s standing in a program is determined by his/her cumulative GPA. The cumulative grade point average is figured by semester hours attempted, not by semester hours earned. Only A, B, C, D, and F grades will be used in computing the GPA. An “F” will be computed in the GPA unless the course is later repeated with a satisfactory grade. An “F” grade will not count toward the GPA if the student repeats the course and earns an improved grade. Neither credit hours nor grade points will be computed in those courses where a grade of “I”, “W”, “S”, “P”, or “U” is assigned. Hours earned in non-credit courses (denoted on the transcript by an asterisk (*)) will not be used in computing GPA.
Incompletes

A student may receive an incomplete ("I") grade for unfinished work in a course provided the work was incomplete because of circumstances determined by the instructor to be unavoidable and approved by the Vice President of Academic Affairs and Student Learning. A copy of the Incomplete Form must be forwarded to the Registrar with the course final grade report.

The student must complete the requirements of the course by the end of the next semester, excluding the summer term, in order to receive credit for the course. The student will receive an “F” if the course requirements are not completed by the deadline.

Although the grade of “D” is academically viewed as “passing” for some programs/courses as posted in the program guidelines, handbook, or syllabus, a grade of “D” may not be satisfactory to allow the student access to another curriculum within that program/discipline.

Satisfactory/Unsatisfactory

Satisfactory ("S") or Unsatisfactory ("U") grades are issued only to students enrolled in Adult and Community Education classes. These grades will not be used in computing the student’s GPA or college credit hours.

Grade Review/Appeal

Faculty are responsible for assigning grades for work done in individual courses. Faculty are responsible to determine the evaluation measures of student academic progress in relation to the described content of the course.

Students have a right to a grade review if they believe an erroneous grade has been assigned and should be corrected. Also, they have a right to a grade appeal as a remedy if they believe an instructor has assigned a grade

- By using some basis other than academic or behavioral performance in the course;
- By using more exacting or demanding standards than were applied to other students in that course;
- By using standards and/or criteria that are not clearly presented in the course syllabus, course materials, and/or other written communications;
- That is a substantial departure from the instructor’s previously announced or written standards in the course.

A student utilizing the grade appeal process is precluded from using the Student Grievance hearing process for the same occurrence.
Grade Review/Appeal Procedure

Step One
1. The student is to present the completed Grade Review/Appeal form to the course instructor via email no later than the midterm date of the following 16-week semester (excluding summer).
2. The instructor must respond to the email within thirty (30) calendar days. The instructor may change grades that are found to be in error during a Grade Review within 30 calendar days of the receipt of the completed request for a Grade Appeal.
3. The instructor may or may not change a grade after a review of the appeal within 30 calendar days of the receipt of the completed request for a Grade Appeal.
4. The instructor is to notify the student of the decision in either instance via email.

Step Two
1. If the student is not satisfied with the outcome of Step One, he/she may forward the emails with the Grade Review/Appeal form and the instructor’s response to the appropriate Division Chair within fourteen (14) calendar days of the email with the instructor’s decision.
2. The Division Chair has seven (7) calendar days to provide the student with a decision via email.

Step Three
1. If the student is not satisfied with the outcome of Step Two, he/she may forward the three (3) aforementioned emails to the Vice President of Academic Affairs and Student Learning and/or the Vice President of Student Success and Services within fourteen (14) calendar days of the Division Chair’s decision.
2. The Vice President of Academic Affairs and Student Learning has fourteen (14) calendar days to provide the student with a decision via email.
3. The decision of the Vice President of Academic Affairs and Student Learning will be considered a sufficient review and will be the terminating step of the Grade Review/Appeal process.

During the Grade review/appeal process, all procedures and meetings, including names and related information, will be confidential unless otherwise mutually agreed upon by all parties involved. The grade Review/Appeal Form and Grade Change Form will be signed by the Vice President of Academic Affairs and Student Learning. All student appeals will be housed in the student file and in the course paperwork file.
Independent Study

Students seeking independent study courses should meet with their academic advisor for possible options. Advisors will communicate with faculty on possibilities.

Pass/Fail

Students may elect to take some courses as Pass/Fail. To take a class pass/fail, the student must make arrangements with their advisor prior to the start of the class. This is usually done during the advisement/registration process.

The maximum hours of P/F that can be taken in any one (1) semester is four (4) hours. The total maximum number of P/F credits that can count toward any degree is 12 semester hours.

No general education core curriculum courses can be taken as P/F. Exceptions may be allowed under special circumstances with the written approval of the Vice President of Academic Affairs and Student Learning.

Courses taken P/F can count only as elective credit.

Repeat Enrollment in Courses (8540)

A course in which a student enrolls more than once is considered a repeated course. Approval will be given under the following conditions:

1. If the student previously completed the course with less than a grade of C (or equivalent) and the course is necessary to satisfy requirements for a degree or certificate, the student may enroll and be claimed in the course one additional time; or
2. If a course has been approved by the Illinois Community College Board to be repeated, the student may repeat the course and be claimed as often as approved by the Illinois Community College Board.

In instances where a student repeats a given course, both courses will be recorded on the student’s transcript. The higher of the two grades will be recorded on the transcript and used in computing the cumulative grade point average. The lower of the two grades will not be computed in the grade point average nor will it be applicable to a degree or certificate.

To check financial aid eligibility for courses, see the Financial Aid Office.
Class Withdrawal (8520A)

The responsibility for withdrawing from a class rests with the student. The student must abide by the following provisions:

1. Contact a member of the advisement staff to initiate a drop from class.
2. After the first day of instruction, the student must take the withdrawal slip, obtain the counselor’s/instructor’s initials, and deliver this form to the Admissions and Advisement Office in order to be officially withdrawn from a class.
3. The date of withdrawal will be the date the form is received by the Advisor.
4. Not attending class does not constitute a withdrawal from class. Failure to officially withdraw by the academic penalty date will result in a failing grade for the semester.
5. Failure to officially withdraw by the financial penalty date will result in financial penalties. This differs from the academic penalty date and the financial aid date.

Note: Please consult the official College Calendar for the final drop dates each semester.

Audit Policy (7340)

Students must receive approval from the Vice President of Academic Affairs & Student Learning prior to enrolling to audit a course. Audited courses are subject to compliance with all other college regulations. Students are not permitted to change to audit after the close of registration during each semester. The student must attend all regular class sessions. The student does not receive a grade or credit for the course, but the course is listed as Audit on his or her transcript. Regular tuition and fees will be assessed for audited courses. A student may elect to take a course for credit which was previously audited.

Attendance

Students are expected to attend all class sessions for which they are scheduled. The effect of absences on grades is determined by the instructor with the approval of the Vice President of Academic Affairs & Student Learning. Faculty may drop a student from class at mid-term if the student is not attending regularly and making progress toward successful completion of the course. Any student wishing to withdraw after midterm must follow the procedures above.

Students will be allowed to make up work missed because of legitimate class absences (scheduled, supervised college trips or functions). However, instructors must be notified in person by the student prior to his or her absence. Procedures for implementing this policy are as follows:
1. The student will notify the instructor in person no later than one class meeting prior to the absence.
2. The student should request from the instructor work that can be made up prior to the absence.
3. Examinations and other assignments that cannot be completed prior to the absence will be made up at a time mutually agreed upon by the student and the instructor. This should be done no later than the end of the semester.
4. If the work is not completed due to absences while participating in extracurricular activities or other uncontrollable situations, the student will be given an “Incomplete” grade and will have one semester to complete the course.

In cases of prolonged absences, students should notify the office of the Vice President of Student Success & Services.

Evaluation of Student Academic Performance (8410A)

The faculty will maintain student performance and attendance records. The procedure to be used is as follows:

Grades
1. All records relevant to assigned grades will be kept through mid-term the next semester following the beginning of the next 16-week semester.
2. Material relevant to an appeal case will be kept until the student has exhausted all appeal remedies.
3. Faculty will post initial progress, midterm, and final grades.

Attendance
1. All full-time and part-time faculty will check attendance at every session of each class meeting (credit and non-credit), keeping a record by calendar date, course title, section number, and time of class meeting. The record should indicate a student's presence or absence at each session of the class.
2. This record will be kept current by the instructor on the Ellucian Colleague attendance site.
3. Faculty members may also keep this record in a grade book or special form provided by the College.

Satisfactory Academic Progress, Warning, Probation and Suspension (8151)

A student who does not maintain a cumulative grade point average of 2.00 will be given academic warning for one semester. If work is unsatisfactory the following semester, the student will be placed on probation. A student may attend a summer session to raise the G.P.A. to a satisfactory level.
Academic Dishonesty/Plagiarism

Academic dishonesty is defined as, but is not limited to:

1. Cheating – Using or attempting to use unauthorized materials, study aids, or information in any academic exercise, including copying from another person’s work or preparing work for another person that is to be presented as the other person’s own work

2. Fabrication – Furnishing false information to a College official relative to academic matter including, but not limited to, misrepresentation of written information provided in admission documents.

3. Plagiarism – Representing the words or ideas of another as one’s own in any academic exercise. Plagiarism is stealing ideas or creations from others and taking credit for that work as if it were one’s own creation. For assistance or further clarification about plagiarism, please contact the Shawnee Community College Library or the Student Success Center.

Types of Plagiarism:

- turning in someone else's work as one’s own, whether borrowed, copied, or purchased
- copying words, ideas, statistics, phrases, music, or artwork from someone else without giving credit through use of quotation marks and correct citation
- paraphrasing or summarizing someone else’s ideas (expressing the other person’s ideas in one's own words) without crediting that person for the ideas
- supplying false citation information for sources
- using more material from sources than from one’s own thoughts (even if sources are cited, they cannot make up the majority of one’s work, because instructors usually require original work)

Penalties:

First Offense: The instructor will require the student to rewrite the paper with a reduction of 20% in the final grade for the paper. The student will be reported to the Vice President of Academic Affairs & Student Learning. The student will be required to attend a remediation session led by the College Librarian. The student will receive a written warning that future plagiarism offenses will result in a grade of zero for the assignment.

Second Offense: The assignment will receive a grade of zero and the student will be reported to the Vice President of Academic Affairs & Student Learning. The student will receive a written warning that future offenses will result in a grade of
“F” for the class in which the offense occurs. The student will be required to attend a second remediation session led by the College Librarian.

Third Offense: The student will receive a grade of “F” for the class in which the offense occurs and will be required to meet with the Vice President of Academic Affairs & Student Learning. The student will receive a written warning that future offenses will result in a failing grade in the class in which the offense occurs and suspension from The College.

Fourth Offense: The student will receive a grade of “F” for the class in which the offense occurs and be suspended from The College for the remainder of the semester.

***The student will have the right each time (as in all disciplinary matters) to use the grievance procedure if he/she disagrees with the decision of the instructor or administration.

General Graduation Requirements (8470A)

2. Achievement of a cumulative grade point average (GPA) of 2.00 or higher for all credit earned at Shawnee Community College.

Dates for the Commencement ceremony can be found in the current College Calendar. Participation in the annual Commencement program is voluntary, but is strongly encouraged.

Release of Student Information and Access to Student Records (FERPA)(8430A)

No one outside the institution shall have access to, nor will the institution disclose any information from, students' educational records without the written consent of students except to personnel within the institution, to officials of other institutions in which students seek to enroll, to persons or organizations providing students financial aid, to accrediting agencies carrying out their accreditation
function, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health or safety of students or other persons.

Within the Shawnee Community College community, only those members, individually or collectively, acting in the students' educational interest are allowed access to student education records. These members include personnel in the Admissions and Advisement Office, Financial Aid Office, and academic personnel within the limitation of their need to know.

Shawnee Community College may provide the following information: student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the Vice-President of Student Success and Services and the Registrar in writing within two weeks after the first day of class for the semester.

Identity-Protection (4377)

Shawnee Community College ("SCC") adopts this Identity-Protection Policy pursuant to the Identity Protection Act. 5 ILCS 179/1 et seq. The Identity Protection Act requires each local and State government agency to draft, approve, and implement an Identity-Protection Policy to ensure the confidentiality and integrity of Social Security numbers agencies collect, maintain, and use. It is important to safeguard Social Security numbers (SSNs) against unauthorized access because SSNs can be used to facilitate identify theft. One way to better protect SSNs is to limit the widespread dissemination of those numbers. The Identity Protection Act was passed in part to require local and State government agencies to assess their personal information collection practices, and make necessary changes to those practices to ensure confidentiality.

Social Security Number Protections Pursuant to Law

Whenever an individual is asked to provide SCC with an SSN, SCC shall provide that individual with a statement of the purpose or purposes for which SCC is collecting and using the Social Security number. SCC shall also provide the statement of purpose upon request. SCC’s Statement of Purpose is attached to this Policy.

SCC shall not:
1. Publicly post or publicly display in any manner an individual’s Social Security Number. “Publicly post” or “publicly display” means to intentionally communicate or otherwise intentionally make available to the general public.
2. Print an individual’s Social Security number on any card required for the individual to access products or services provided by the person or entity.

3. Require an individual to transmit a Social Security Number over the Internet, unless the connection is secure or the Social Security number is encrypted.

4. Print an individual’s Social Security number on any materials that are mailed to the individual, through the U.S. Postal Service, any private mail service, electronic mail, or any similar methods of delivery, unless State or federal law requires the Social Security number to be on the document to be mailed. SSNs may be included in applications and the administration of the Unemployment Insurance Act, any material mailed in connection with any tax administered by the Department of Revenue, and documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the Social Security number. A Social Security number that is permissibly mailed will not be printed, in whole or in part, on a postcard or other mailer that does not require an envelope or be visible on an envelope without the envelope having been opened.

In addition, SCC shall not:

1. Collect, use, or disclose a Social Security number from an individual, unless:
   a) Required to do so under State or federal law, rules, or regulations, or the collection, use, or disclosure of the Social Security number is otherwise necessary for the performance of SCC’s duties and responsibilities;
   b) The need and purpose for the Social Security number is documented before collection of Social Security number; and
   c) The Social Security number collected is relevant to the documented need and purpose.

2. Require an individual to use his or her Social Security number to access an Internet website.

3. Use the Social Security number for any purpose other than the purpose for which it was collected.

Requirement to redact Social Security Numbers

SCC shall comply with the provisions of any other State law with respect to allowing the public inspection and copying of information or documents containing all or any portion of an individual’s Social Security number. SCC shall redact Social Security numbers from the information or documents before allowing the public inspection or copying of the information or documents.

When collecting Social Security numbers, SCC shall request each SSN in a manner that makes the SSN easily redacted if required to be released as part of a public records request. “Redact” means to alter or truncate data so that no more
than five sequential digits of a Social Security number are accessible as part of personal information.

Employee Access to Social Security Numbers

Only employees who are required to use or handle information or documents that contain SSNs will have access. All employees who have access to SSNs are trained to protect them.

Student Rights Under the Family Educational Rights and Privacy Act (FERPA)

Under the Family Educational Rights and Privacy Act (FERPA) of 1974, students have certain rights regarding their educational records and access to them. Student educational records are maintained on the Shawnee Community College main campus, and include admission records, academic records and financial aid records.

The student has the right to:

1. Request that public directory information not be released
2. Review and inspect his/her educational records
3. Seek amendment of the educational records that the student or dependent student’s parent believes to be inaccurate, misleading, or otherwise in violation of student privacy rights
4. If the request for an amendment is denied, the student has the right to request a hearing to challenge the contents of the education record
5. Consent, under certain conditions, to disclosure of personally identifiable information contained in student educational records
6. File a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with statutory and regulatory student and family privacy rights

The following procedure is to be followed at Shawnee Community College in order for a student to exercise the right to inspect his/her educational records and for seeking to amend those records:

The student must submit a written request to the Registrar’s office to view the records. The student record will be produced for examination within 45 days. Every effort will be made by the College to give reasonable requests for explanations and interpretations of the records. A student has the right to seek to amend his/her records. When seeking to amend the student record, the student must first request the change in writing. The student will meet with the Dean of Student Success & Services regarding the amendment. To request that directory
information not be disclosed, the student must submit the request in writing to the Registrar’s office.

Students should be aware that personally identifiable information from students’ education records may be disclosed without students’ prior consent to authorized representatives of the U.S. Department of Education (or research firms under contract by the Department), the Office of Inspector General, and state and local education authorities.

Disclosure may also be made to other agencies if the student information is needed to determine the amount of financial aid, the conditions for the aid, the student’s eligibility for the aid, or to enforce the terms of the conditions of the aid the student has applied for or received. Disclosure may be made to the student’s parent only if the student receives more than half of his or her support from the parent (a dependent by definition of the Internal Revenue Service).

The following information may be accessed or obtained by potential or current students and their parents by contacting the office of the Vice President of Student Success & Services. It may also be included, as noted, in a current Shawnee Community College publication.
2. Student graduation/completion rates and transfer-out rates
3. Equity in athletics and athletic program financial information
4. Financial aid information and policies on release of such information (handbook)
5. General college information (catalog and handbook)
6. Family Educational Rights and Privacy Act policies and procedures (handbook)
7. Requirements for the return and repayment of federal financial aid funds under Title IV of the Higher Education Act (catalog)
8. Shawnee Community College refund policy (Policy 7320)

- Using a computer account that you are not authorized to use by the IT Department.
- Obtaining a password for a computer account that is not intended for your use.
- Using the SCC network to gain unauthorized access to any computer system.

A student grievance exists when a student claims that a violation, misapplication, or misinterpretation of Shawnee Community College policy, procedure, or practice has occurred. A student filing a grievance should follow the procedures outlined.

**Procedures**

Should a condition exist that a student feels is a violation of the rules, procedures, policies, or other standards of the College, it is important that he or she bring it to the attention of the appropriate person or committee.

During the process of a grievance, all procedures, meetings, names, and related information will be confidential unless otherwise mutually agreed upon by all of the parties involved.

**Informal Process**

It is best for everyone concerned if problems can be resolved informally. Therefore, before the formal grievance process is instituted, the student is expected to meet with the person who he/she believes has violated, misapplied, or misinterpreted the policy or procedure. If the student does not believe that he/she is able to do that, he/she needs to meet and discuss the incident with the supervisor of the staff or department chair of the faculty member. The informal meeting needs to take place no later than ten (10) college working days after the occurrence that gave rise to the complaint. The Vice President of Student Success and Services is available to give students guidance in the informal process as well as in the formal process.

If a student believes he/she has been discriminated against because of race, color, sex, gender, gender expression, national origin, religion, age, veteran status, marital status, ancestry, disability or sexual orientation in any way by college personnel, it is important that he/she bring the situation to the attention of the Vice President of Student Success and Services, an employee in the Office of Human Resources, or a designee of the Office of Human Resources or the Vice President. If a student believes he/she has been discriminated against because of a disability, it is important that he/she bring the situation to the attention of the Coordinator of Accessibility and Disability Resources.
Formal Process

If the student is not satisfied with the results of the informal process, he/she should initiate the formal process no later than fifteen (15) college working days after the completion of the informal process and no later than twenty (20) college working days after the occurrence that caused the complaint. (College working days are defined as weekdays – Monday through Friday—when classes are in session during the fall and spring semesters and Monday through Thursday in the summer semester if observing a compressed work schedule). Items not resolved prior to the end of the spring semester or during the summer semester may be suspended until the first day of classes of the immediate subsequent fall semester, following the guidelines below.

1. The student must obtain a Grievance form from the Vice President of Student Success and Services or his/her designee who will discuss with the student the procedure for filing a formal grievance.
2. As instructed on the Grievance form, the student must submit the grievance to the supervisor of the person charged. The supervisor will immediately deliver a copy to the charged employee, who must respond in writing to the student within five (5) college working days and provide the supervisor with a copy of the response.
3. The student, if not satisfied by the reply, or if not in receipt of a reply within five (5) college working days, may then appeal, in writing, to the Disciplinary Hearing Committee within five (5) additional college working days. The student appeal goes to the Vice President of Student Success and Services, who will initiate the hearing process. The respondent will be informed. This appeal should include copies of any responses from the respondent and the supervisor. The chair of the Disciplinary Hearing Committee will initiate a hearing within ten (10) college working days of receipt of the appeal request. The chair of the Disciplinary Hearing Committee will submit a written report of the findings to the appropriate person with five (5) college working days.
4. Items not resolved prior to the end of the semester will be suspended until the following semester. The Vice President of Student Success and Services and the Chair of the Disciplinary Hearing Committee may at their discretion continue the grievance process during breaks or summer sessions.
5. A student utilizing the disciplinary hearing process is precluded from using the grade appeal process for the same occurrence.

Disciplinary Hearing Committee Composition

1. The Disciplinary Hearing Committee shall be composed of four members of the Student Services Committee (at least two faculty
representative) and one Student Senate member. Disciplinary Hearing Committee members must be present at the hearing in order to vote.

2. No claimant or respondent in a grievance shall serve as a member of the Disciplinary Hearing Committee when the grievance is being considered.

Withdrawal

The student may withdraw the grievance at any time.

Right of Appeal

Within ten (10) college working days after the decision of the Disciplinary Hearing Committee is presented, an appeal may be made in writing by either party to the College President. An appeal shall be limited to the review of the verbatim record and supporting documents of the Grievance Hearing. No new information is to be presented. The decision of the President will be sufficient review and will be the terminating step of the Grievance Procedure.

No Reprisals

No reprisals shall be taken by the Board of Trustees, administration, faculty, or staff against any student or faculty because of participation in a grievance.

Grievance Records

Grievance records will be maintained for at least three (3) years by the Vice President of Student Success and Services.

False Reports (8650)

Certain provisions of these student policies and the student handbook permit students to provide information or report specific behavior to the administration of Shawnee Community College. The College expects its students to truthfully and accurately provide that information and report on that specific behavior. Consequently, any student who falsely provides information or falsely reports specific behavior shall be subject to disciplinary action that may include probation, suspension, reprimand, or expulsion.

COUNSELING SERVICES

Sometimes the demands of college life can become overwhelming and unmanageable. Students may feel alone, isolated, helpless, and even hopeless. Counseling Services at Shawnee Community College are confidential within ethical and legal guidelines. Information does not become part of the academic record of the student. Services are free of charge to all Shawnee students.

ACCESSIBILITY AND RESOURCE SERVICES

The Accessibility and Resource Office at Shawnee Community College is dedicated to providing reasonable academic accommodations and support to all currently enrolled students who have a documented disability in accordance to Section 504 of the Rehabilitation Act of 1973 and The Americans with Disabilities Act of 1990 (ADA).

Individuals eligible for services include, but are not limited to, students with mobility, orthopedic, hearing, visual, speech, and learning disabilities.

Service Animals
The U.S. Department of Justice published revised final regulations under Title II (state and local government services) and Title III (public accommodations and commercial facilities) of the Americans with Disabilities Act (ADA) on September 15, 2010, in the Federal Register. These requirements or rules clarify and refine issues that have arisen over the past 20 years and contain new and updated requirements, including the 2010 Standards for Accessible Design (2010 Standards). This publication provides guidance on the term “service animal” and on the service animal provisions in the Department’s new regulations. Beginning on March 15, 2011, only dogs are recognized as service animals under titles II and III of the ADA. Click to learn more at the ADA Service Animals Requirements online resource. To view the publication from the Department of Justice, please go to http://www.ada.gov/service_animals_2010.htm.

A service animal is a dog that is individually trained to do work or perform tasks for a person with a disability. Under, Title II and Title III of the ADA, State and local entities must permit service animals to accompany people with disabilities in all areas where members of the public are allowed to go. Under the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions:

1. Is the dog a service animal required because of a disability, and
2. What work or task has the dog been trained to perform?

Staff cannot ask about the person’s disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Allergies and fear of dogs are not valid reasons for denying access or refusing service to people using service animals. When a person who is allergic to dog dander and a person who uses a service animal must spend time in the same room or facility, for example, in a school classroom or at a homeless shelter, they both should be accommodated by assigning them, if possible, to different locations within the room or different rooms in the facility.

A person with a disability cannot be asked to remove his service animal from the premises unless:

1. The dog is out of control, and the handler does not take effective action to control it or
2. The dog is not housebroken.
When there is a legitimate reason to ask that a service animal be removed, staff must offer the person with the disability the opportunity to obtain goods or services without the animal’s presence.

Establishments that sell or prepare food must allow service animals in public areas even if state or local health codes prohibit animals on the premises. People with disabilities who use service animals cannot be isolated from other patrons, treated less favorably than other patrons, or charged fees that are not charged to other patrons without animals. In addition, if a business requires a deposit or fee to be paid by patrons with pets, it must waive the charge for service animals. Staff are not required to provide care or food for a service animal.

Shawnee Community College would appreciate for all service animals to be registered in the Accessibility and Resource Office and be up to date on all vaccinations, but service animals are not an academic accommodation that needs approval.

- Verbal reprimand / Conference with student
- Call or conference with parent/ guardian

EMERGENCY PROCEDURES

The purpose of this emergency procedure guide is to assist in the planning and development of an emergency preparedness plan at The College. It is important for policies and procedures to be developed in order to prevent problems and minimize the confusion that accompanies emergencies or disasters. A major emergency affecting a large number of people may occur at any time, or any place.

Inclement Weather

The Shawnee Community College District covers a wide geographical area and weather conditions differ in certain areas. A decision as to whether or not classes will be cancelled is made as early as possible, usually by 6:00 a.m. An announcement of any closing will be made over specified local radio and television stations. The absence of such an announcement means that classes will be in session as scheduled. Unless otherwise specified, an official closing announcement pertains to all Shawnee Community College classes (on-campus day, on-campus night, and off-campus extension). We believe our student body is mature enough to make wise decisions as to their ability to drive safely from their local community to the campus. Listed are the official news media that will be carrying our inclement weather announcements:

This is an opt-in service provided by SCC. While there is no direct cost for signing up for this service, you may be charged a text message fee by your cell phone provider. Please check your cell phone plan to understand the costs you may incur using this service.

All users who sign up for this service will receive announcements regarding campus closures for weather and other emergencies, text messages to validate the service is working, and notification when your account is about to expire.

To sign up for Saints Alert System, go to the SCC website at www.shawneecc.edu, and click on Saints ALERT.
Earthquake/Tornado/Fire

In case of an earthquake, tornado, or fire, follow the directions of the emergency signs located in each classroom and throughout buildings H, I, J, K and L. Psychological Crisis

A psychological crisis exists when an individual is threatening harm to himself/herself or to others, or is out of touch with reality due to severe drug reaction or a psychotic break. A psychotic break may be manifested with hallucinations, uncontrollable behavior, or delusions.

If a psychological crisis occurs:

1. Never attempt to handle a situation you feel is dangerous on your own.
2. Notify the security officer first by dialing extension 3232. If there is no answer, dial "0" and ask the receptionist to notify security; clearly state that you need immediate assistance. Give your name, your location, and the area involved.
3. Inappropriate handling, or inadvertent escalation, are the most likely causes in turning an emotional crisis into a potentially dangerous emergency. Many times such situations escalate from the fear or reactions of the reactor rather than from those of the actor. Your role, if involved, is to maintain the situation
in as neutral a state as possible until professionally trained staff arrives. REMAIN CALM.

4. If you are alone and a person becomes violent or disturbed, call for help if possible or seek assistance from someone passing by. Exercise extreme caution at all times.

Students Who Need to be Notified of Emergencies

If a student needs to be notified of an emergency during the day, parents, relatives, or spouses can contact the Shawnee Community College Receptionist/Clerk (618-634-3397). The caller must give his/her name, telephone number, and the nature of the emergency.

SAFETY AND SECURITY

Safe Environment Policy (4382)

The College has an obligation to provide a safe environment free from violence and threats of violence where civility is valued. To that end, it is the intent of Shawnee Community College to make reasonable efforts to provide for the safety and security of its students, faculty, staff, public, and property. As a result, the College has developed a College Safe Environment Policy.

Purpose

The purpose of this policy is to encourage a safe and secure environment free from aggressive, threatening, or violent acts through the development and implementation of an effective program that helps assure a safe college environment.

Scope

This policy applies to all employees of Shawnee Community College, students, guests, visitors, and contractors on the College premises.

Safety and Security

Campus security has the primary purpose of protecting life and property, preventing crime, and preserving peace and order. Campus security officers are present on the main campus 24 hours a day. The Director of Information Technology and Campus Security receives safety and security related reports. SCC custodial/maintenance staff are also available and are responsible for the access and maintenance of all College buildings and grounds.
In an effort to enhance safety and security, SCC has developed well-lighted parking areas, placed surveillance cameras in the facility, and maintains a key-controlled security system for all buildings and offices.

Campus security officers are present to enforce college regulations and should receive the full cooperation of each student and staff member in carrying out such responsibilities. Security officers are authorized to receive and act upon reports of possible violation, to request student information at any time, to write citations for parking violations, to remove non-students from campus when necessary, to coordinate efforts with local and state law enforcement officers, and to assist students and staff in whatever way possible. Security personnel patrol parking lots and buildings on a regular basis.

Any crime or suspected undesirable activity should be reported at once to the security officer by calling extension 3232, and/or by contacting the Information Desk. The security officer or authorized personnel will be responsible for taking any required action and for notifying off-campus emergency and law enforcement officials as necessary.

Safety Texting Service

“See something; say something.” Help keep Shawnee Community College safe. If you see any safety issue on campus, you can send a confidential text to report it. Text SCCSAFETY and your report to 50911.

Campus Crime Report

The most current and up-to-date information can be found on the College website.

Thefts

A large percentage of the thefts occurring on college property could be avoided if the following precautions are heeded:

1. Lock your car. Put all your valuables in your trunk, including portable electronic devices.
2. Keep your personal property (books, handbags, coats, etc.) within your view at all times.
3. Do not carry large sums of money.
4. Report all thefts to campus security immediately.

Accidents
All accidents that take place on campus or during college sponsored activities must be reported to the Vice President of Student Success & Services Office immediately.

Lost and Found

Information regarding lost articles should be directed to the security officer located in Building I, Monday through Thursday, 7:00 a.m. to 10:00 p.m. and Friday 7:00 a.m. until 4:00 p.m. Any article found on campus may be taken to the security office during the above noted hours. Only the owner with proper identification may claim the item. Because of limited space, items are discarded after 30 days.

Unauthorized Persons on Campus (7205)

Only currently enrolled students, employees, members of the Board of Trustees, the College attorney, auditor, other agents of the College, and authorized visitors and guests are permitted on the various campus locations which are owned, rented, or otherwise leased by the College or any of its representatives.

Any unauthorized person may be asked to leave the campus by an authorized representative of the College or law enforcement officer acting on authority of the College.
CODE OF CONDUCT

Harassment (4511)

Shawnee Community College is strongly committed to establishing and maintaining an environment in which students, faculty, and staff can work together in an atmosphere free of all forms of harassment. Harassment, whether sexual, racial, ethnic, religious, or based on a disability, is expressly prohibited by law. Harassment in any form is contrary to the fundamental ethical standards of the academic community, and it violates the special bond of intellectual dependence and trust. It is a violation of various state and federal statutes and regulations, and it is strongly opposed in all forms and manifestations at Shawnee Community College. Efforts will be made to maintain and enhance The College as an institution which serves all of our citizens in an atmosphere of mutual trust and respect.

The College expressly condemns and prohibits all forms of harassment and considers all such acts to be serious breaches of our public trust, contrary and detrimental to the mission of Shawnee Community College.

The College will take whatever action it deems necessary or appropriate to prevent behavior that violates this policy. Students, faculty, and staff may be disciplined, expelled, or terminated at The College’s discretion for violations of this policy, and in accordance with the applicable provisions of the Student Handbook, Contract of Employment, or other provisions of these policies.

Each student is encouraged, and every member of the faculty and staff of The College is required, to report any incident of harassment to the Vice President of Student Success & Services/Affirmative Action Officer or the Human Resource Director.

Sexual Misconduct – Title IX (4515)

Title IX of the Education Amendments of 1972, as amended, prohibits discrimination on the basis of sex in any federally funded education program or activity. As such, Title IX mandates that no person shall be excluded from participation in or discriminated against on the basis of sex in programs or activities at educational institutions that receive federal financial assistance.

Sexual misconduct is a form of sex discrimination. Sexual misconduct for the purpose of this policy includes but is not limited to sexual harassment, sexual assault, stalking, and sexual exploitation. Additionally, sexual misconduct is any conduct of a sexual nature that is without consent, or has the effect of threatening or intimidating another person to whom the action is directed. Shawnee Community College policies are designed to meet requirements of the State of
Illinois’ laws prohibiting discrimination based upon sex, sexual orientation, and gender identity. These policies apply to all employees, students, and third parties at Shawnee Community College.

Shawnee Community College prohibits all forms of sex offenses and considers all such acts to be entirely unacceptable and unwarranted. Sex offenses are violations of the Illinois Criminal Code and are prosecutable as such. The College is committed to assisting in the prevention of sex offenses, and is determined to apprehend and discipline and/or prosecute violators. The College will provide immediate respectful support to victims of sex offenses and will ensure that a victim of sexual assault is allowed an opportunity to seek the necessary medical and/or psychological treatment and testing which is usually free of charge, to preserve physical evidence of sexual violence.

The Pulaski County Sheriff’s Office, Illinois State Police, or other law enforcement agency assigned to the investigation, may assist the victim through available options. Any such incidents should promptly be reported to the Vice President of Student Success & Services/Affirmative Action Officer or the Human Resource Officer.

Shawnee Community College adheres to all Title IX standards that prevent and rectify any form of discrimination. Additionally, the College complies with the Jeanne Clery Act regarding disclosure of campus security and campus crime statistics, the Violence Against Women Act (VAWA), and the Campus SaVE (Sexual Violence Elimination) Act. Shawnee Community College holds any individual or group of individuals aiding or promoting any behavior or culture not in agreement with its policies as accountable and therefore susceptible to the same consequences as any individual directly violating its policies.

The primary responsibility of both the Title IX Coordinator and the Associate Title IX Coordinator is to coordinate The College’s Title IX compliance efforts. The Title IX Coordinator and the Associate Title IX Coordinator responsibilities include but are not limited to:

1. Coordination of all educational programs for the prevention of Title IX violations.
2. Producing required Title IX educational materials for the use of The College.
3. Investigation of Title IX complaints.
4. Determination as to the extent of confidentiality for each complaint.
5. Coordination with local law enforcement pertaining to any Title IX allegations.
6. Coordination of all training programs for Title IX.
7. Promoting a culture of fairness to all people involved.

I. STATEMENT

The purpose of this policy is to define sexual misconduct in its various broad forms, define related terms directly affecting sexual misconduct, to set forth the foundational procedures for a student to file a complaint regarding sexual misconduct, and to establish a method for investigating and resolving those complaints of unlawful sexual misconduct.

Sexual harassment of any student by another student, any Shawnee Community College employee or other person on the premises of Shawnee Community College other than an employee (e.g., a visitor or business invitee), or any other person having contact with a student while that person is engaged in the performance of his employment duties will not be tolerated.

Disciplinary action up to and including termination of Shawnee Community College employees will be instituted for any behavior found to constitute sexual misconduct. Any retaliation against a person for filing a sexual misconduct charge or making a sexual misconduct complaint is also prohibited under the Illinois Whistleblower and Human Rights Act, and any person found to be retaliating against a student will also be subject to disciplinary action up to and including termination.

4. Other sanctions may be appealed to the Disciplinary Hearing Committee on written request to the Vice President of Student Success and Services.

The President must respond to the appeal within ten (10) college working days. The Board of Trustees may or may not respond within thirty college working days.

Sexual Assault Prevention and Response

The Student Success & Services office offers sexual assault education and information programs to College students and employees upon request. Literature on date rape education, risk reduction, and College response is available through the Student Success & Services office.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Shawnee Community College Campus Security strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a College officer and law enforcement. Filing a police report will not
obligate the victim to prosecute; nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault is allowed an opportunity to seek the necessary medical treatment and testing
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Shawnee Community College Campus Security, the Pulaski County Sheriff’s Office will be notified as well. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and the Disciplinary Hearing Committee, or only the latter. The Pulaski County Sheriff’s Office, or other law enforcement agency assigned to the investigation, will assist the victim through available options.

**Sex Offender Community Notification Law**

The Sex Offender Community Notification Law, 735 ILCS 152/120 requires that all sex offenders and predators employed or attending an Illinois college must register with The College’s campus safety or security director and provide the same information that they had previously provided to law enforcement.

**Student Rights and Responsibilities**

The primary concern of Shawnee Community College is the student. The College attempts to provide all students an environment that is conducive to academic endeavor and social growth. The College expects from its students the self-discipline necessary to acquire an education and will aid the student in developing such a skill.

The College community has a responsibility to provide for its members those privileges, opportunities, and protections which best promote the learning process. In order to achieve this goal, all members of The College community must be aware and respectful of the rights of others.

In the interest of promoting the best possible educational environment for members of The College community and remaining consistent with the rights of others, students shall be free to examine and express opinions on all questions of interest to them. Students shall be guaranteed all constitutional rights, including freedom of inquiry, expression, and assembly.

The administration of Shawnee Community College is responsible for maintaining decorum and order on the campus as per chapter 144, paragraph 226 of the Illinois
Public Community College Act. Accordingly, in order that normal educational processes can continue without interruption and in order that individual safety, personal freedoms, and property rights can be enjoyed without impairment, disruptive activities will not be tolerated on the campus.

Members of the campus community who participate in unlawful activities which disrupt educational functions have no right to remain members of the campus community. Students will be dealt with in accordance with established disciplinary and administrative processes.

Article 21 of the Illinois Criminal Code, dealing with damage and trespass to property, provides appropriate penalties for dealing with persons who willfully damage state property or trespass on the campus.

Criminal trespass is committed by one who enters an area with notice that entry therein is forbidden or who remains in an area after notice to depart. It is proper to prescribe reasonable regulations as to conditions and times for access to campus buildings. Entrances, halls, and exits must be kept open for normal operations, and the safety of others; buildings are to be cleared and closed at established hours. Persons who violate such reasonable regulations should be notified to depart. This advice and notification should be given publicly and orally by an authorized representative. Thereafter, if such persons remain, law enforcement personnel should be summoned without delay.

Regulations Concerning Student Behavior

The primary responsibility for the supervision of student conduct at Shawnee Community College has been designated to the Vice President of Student Success & Services Office. This office will establish such administrative procedures that may be necessary to fulfill the intent of the code.

Freedom of Expression

Shawnee Community College values freedom and openness in the pursuit of truth. The lively and free exchange of ideas is essential to the intellectual life of The College as well as to the expansion of knowledge itself. Freedom of thought, free speech, and peaceful assembly are rights of citizens and are fundamental to this open inquiry and search for knowledge.

Students of Shawnee Community College express their views through a variety of established means, including Student Senate, student affairs, and committees, clubs, and organizations. The College has an obligation and responsibility to protect the rights of individuals who do not wish to participate in demonstrations and whose educational or employment pursuits must not be disrupted.
The College has an obligation to ensure the safety of individuals, the protection of property, and the continuity of the educational process. Demonstrations, assemblies, and expressions may not infringe on the rights of others or disrupt essential operations of The College. Shawnee Community College protects the rights of all of its students, faculty, and staff.

In the event Shawnee Community College determines any act, article of clothing, or expression infringes or could infringe upon the rights and/or liberties of another individual, Shawnee Community College reserves the sole and exclusive right to prevent, restrict, or request such behavior to immediately cease or stop in order to protect its students, faculty, staff, and visitors of its campuses, programs, and/or class instruction.

**Demonstrations**

Shawnee Community College requires notice in advance of any proposed demonstration on campus as follows: students should contact the President’s Office at least 24 hours in advance to discuss and arrange any form of demonstration that is proposed to occur at Shawnee Community College. With less notice, The College will try to accommodate a demonstration but may not be able to do so. For demonstrations that are to take place over the weekend, notification should occur before the close of business on Thursday.

Be prepared to tell The College Administration:

- Number of people involved with the demonstration
- Proposed nature of the demonstration
- Contact info for responsible person
- Plans to advertise/inform others about the demonstration

Any persons on College property should be prepared to present a picture ID at the request of campus security. Failure to do so may result in exclusion from campus.

Demonstrations may not interfere with any classes or campus events.

All demonstrations, including distribution of flyers or brochures, must take place outside of campus buildings, stay at least 30 feet from the main entrances to those buildings, and refrain from blocking access to and from the buildings, roads, or sidewalks. The College will clearly mark the 30-foot boundary at public events.

No one may harass, abuse, or intimidate any person on campus. This includes participants and non-participants in the demonstration.

No sound amplification equipment may be used.
All people on campus must follow all directives of campus security or other College officials acting in their official capacity.

Shawnee Community College reserves the right to deny requests for access to the campus by individuals or groups who are not affiliated with Shawnee Community College faculty, staff, students, or that are commercial in nature.

Dress

It is essential for the health, safety, and wellbeing of students, faculty, staff, and visitors of Shawnee Community College for all persons on property owned and/or controlled by Shawnee Community College to maintain appropriate attire. At all times, unless permission to do otherwise is granted by the College, all persons shall wear a clean shirt, clean pants or clean shorts, and appropriate clean footwear. Shawnee Community College acknowledges each individual’s right and freedom of expression. Shawnee Community College also, however, encourages people to be conscious of others in expressing themselves.

Cell Phone Usage

The use of cell phones during class and college activities interferes with the instructional process and is therefore prohibited. Camera and video cell phones are prohibited in locker rooms and restrooms. In all matters relating to the use of cell phones in the classrooms, the instructor will initially determine the most appropriate cell phone rules in their classroom. The general rule for all cell phone usage is cell phones should be on silent during class time.

Students who are required to carry a cell phone for employment or family responsibilities must inform the instructor at the beginning of the semester. The instructor and student will discuss the need for the cell phone and a decision will be made by the instructor whether or not to allow the use of the cell phone. In cases where cell phones are required and allowed by the instructor, the cell phone must not disrupt the classroom. Students who violate the terms of agreement on the use of cell phones will forfeit the use of the privilege. Students will be responsible for any work that is missed. Students will not be excused to make telephone calls during examination periods. Any observed violation of this code of conduct will be considered an offense as outlined in Section I Offenses #13 – Cell Phone usage during class time.

Lake Rules

- No person shall swim, bathe, or wade in any body of water located on SCC campuses. This includes the lake behind the main campus.
• No person shall boat, canoe, kayak, or use any floating device in any body of water located on SCC campuses.
• No fishing will be allowed unless approved through the Executive Office.

Smoke and Tobacco-Free Campus (4387)

To promote a safe, clean, and healthy learning and working environment, and in compliance with the Illinois Smoke-Free Campus Act (110 ILCS 64/1), Shawnee Community College prohibits the use of tobacco or smoking products inside college facilities, college vehicles, and on all college property. This includes the burning of any type of cigar, cigarette, pipe, electronic cigarette, or any other smoking device and/or equipment. The use of smokeless/chewing tobacco is also prohibited.

The College specifically adopts the definitions set forth in the provisions of the Illinois Smoke Free Campus Act as a part of this policy. This policy applies to any individual on campus property, including but not limited to students, employees, contractors, subcontractors, volunteers, visitors, and members of the public, and it is the responsibility of each individual to comply with this policy. For first time offenses by a student, reprimand shall be the appropriate punishment. For second and subsequent offenses, the College reserves the right to impose probation, suspension, and/or expulsion from the College as a form of punishment against a student found in violation of this policy.

The process of student discipline found in the Student Handbook and adopted by the College as a part of its policies shall be the method of enforcing this policy.

As for staff and employees of The College, The College reserves the right to impose a punishment and/or penalty as The College may do in any other employment related matter that is in violation of the policies and procedures of The College.

As for other persons who are not students, staff, or employees of The College, The College reserves the right to request a person in violation of this policy to be removed from The College, campus property, and may even include that person being barred from College property and campuses at the sole and exclusive discretion of The College.

Any student, staff member, and/or employee may appeal a decision that is determined in violation of this policy in accordance with the procedures found in the Student Handbook and/or policies and procedures adopted by The College as such procedures apply.

Any person not a student, staff, or employee of The College may appeal any action of The College first to The College President’s office for reconsideration and then
to The College Board of Trustees. Any person desiring to appeal a decision in accordance with this paragraph must contact The College President’s office to arrange a time to speak with The College President and/or Board of Trustees.

Chronic Communicable Diseases (4390)

Shawnee Community College places a high priority on the need to prevent the spread of chronic communicable diseases on campus. The College is committed to educating staff, students, and the community about communicable diseases. Specifically, because there is currently no cure or vaccine for acquired immune deficiency syndrome (AIDS), education regarding methods by which this virus may be transmitted and how to prevent transmission is essential. By adopting this policy, it is the intention of the College to promote the health and regular class attendance of our students so that they may attain their maximum potential for learning.

Students with Chronic Communicable Diseases

Students with identified chronic communicable diseases may attend college whenever, through reasonable accommodation, the risk of transmission of the disease and/or the risk of further injury to the student is sufficiently remote in such setting so as to be outweighed by the detrimental effects resulting from the student’s exclusion from college. Placement decisions will be made by using this standard in conjunction with current available public health department guidelines concerning the particular disease in question. Individual cases will not be prejudged; rather, decisions will be made based upon the facts of the particular case. The determination of whether a student with a chronic communicable disease may attend college shall be made in accordance with procedures implemented by the College. The College shall respect the right to privacy of any student who has a chronic communicable disease. The student's medical condition shall be disclosed only to the extent necessary to minimize the health risks to the student and others. The number of personnel aware of the student's condition will be kept at the minimum needed to assure proper care of the student and to detect situations in which the potential for transmission of the disease may increase. Persons deemed to have "a direct need to know" will be provided with the appropriate information; however, these persons shall not further disclose such information.

Drug and Alcohol Abuse (4380)
The current Alcohol and Substance Abuse Policy can be found on the College website in the 2020-21 Catalog Addendum.

Concealed Carry Policy (4384)
(Under 430 IL ILCS 65-Illinois Firearm Concealed Carry Act)
I. Statement of Purpose

Shawnee Community College (hereafter referred to as “SCC” or “College”) hereby establishes the SCC Concealed Carry Policy (hereafter referred to as “Policy”) pursuant to the 2013 Illinois Firearm Concealed Carry Act (430 ILCS 65) and its enabling regulations, and the authority granted by the Public Community College Act (110 ILCS 805/3-30). SCC is committed to providing a safe and secure environment for the SCC community, students, faculty, and its visitors. In support of this commitment, SCC establishes restrictions on the ability to carry firearms or weapons on the SCC campus in accordance with the Board of Trustees’ authority to promulgate rules and regulations and the 2013 Illinois Firearm Concealed Carry Act.

II. Persons Covered by this Policy

This Policy applies to all employees, students, persons conducting business, or individuals visiting the SCC campus, hereinafter referred to as “Campus” as defined in this Policy. Visitors include, but are not limited to, prospective students, former students, their respective families, and anyone visiting any campus or property of SCC.

III. Prohibited Activities

A. Weapons or Firearms

A weapon or firearm is considered any loaded or unloaded handgun, rifle, shotgun, or any other mechanism that is capable of firing any lethal trajectory by the use of gunpowder or any other substance that can be used to discharge a bullet or round from such mechanism. Any weapon or firearm is in reference to both concealed and non-concealed firearms or weapons, of which both this Policy addresses.

SCC maintains a Weapons and Firearms-Free Campus. “Campus” includes, but is not limited to, the SCC campus in Ullin, Illinois, the Rustic Campus in Ullin, Illinois, regional campuses in Cairo, Anna, and Metropolis, Illinois; and sites, whether owned, leased, or controlled by SCC, where SCC programs, activities, and classes are held. No person covered by this policy, unless authorized by law or specifically exempted by federal or state law of SCC regulation, is authorized to possess a weapon or firearm while engaged in SCC-related business or activities.

It is the Policy of SCC to prohibit:

(1) Except as set forth herein or otherwise allowed by law, any person covered by this Policy from possessing a weapon or firearm on property owned, leased or
controlled by SCC, even if that person has a valid federal or state license to possess a weapon or firearm. This includes, but is not limited to, any building or portion of a building under the control of SCC, anywhere on the grounds of SCC, any parking areas, sidewalks, or common areas under the control of SCC.

(2) Any person covered by this Policy from displaying, brandishing, discharging, or otherwise using any and all weapons or firearms, including concealed weapons or firearms.

(3) Any person covered by this Policy from carrying or transporting any firearm or weapon in any motor vehicle owned or leased/rented by SCC.

B. Other Prohibited Activities
It is the Policy of SCC to prohibit all persons covered by this policy from making threats, bullying, intimidating, or engaging in acts of violence. Such behavior or actions will not be tolerated and may result in discipline, up to and including, but not limited to, immediate discharge, expulsion, and/or banishment from Campus.

C. Exceptions
The provisions of this Policy do not apply to the possession of weapons or firearms in SCC vehicles, SCC buildings on SCC grounds or any SCC-sponsored activity if the possession of weapons or firearms is related to one of the following exceptions:

(1) The weapon or firearm is used in connection with a weapons safety course or weapons education course offered in the regular course of business or approved and authorized by SCC.

(2) The weapon or firearm is carried by an on-duty law enforcement officer required to carry a weapon or firearm as a condition of his or her employment; the weapon or firearm is carried by an enforcement officer from an external agency conducting official business at SCC.

(3) The weapon or firearm is used in connection with sanctioned classes, athletic or recreational sports practices, games, matches, tournaments, or events on Campus when the activity requires the use of such weapons or firearms (e.g., fencing, starter pistols, and/or archery).

(4) The use of simulated weapons or firearms in connection with the SCC-related theatrical productions.

The exceptions to the prohibitions of concealed carry do not apply to off-duty law enforcement officers on Campus, including off-duty law enforcement officers attending classes as students.

IV. Location at Which Policy Applies
For purposes of this Policy, “property of SCC” includes any vehicle, building, classroom, laboratory, medical clinic, artistic venue, or entertainment venue whether
owned, leased, or operated by SCC, and any real property, including parking areas, sidewalks, and common areas under the control of SCC.

This Policy also applies to all College-related organization property whether leased or owned by SCC, and all SCC-officially-recognized organization property whether leased or owned by SCC.

The SCC President’s Office, in consultation with College Safety Officers, shall determine placement of clearly and conspicuously posted signs at all building and restricted parking area entrances stating that concealed firearms are prohibited. Signs shall be in accordance with the design approved by the Illinois State Police.

The SCC President’s Office, in consultation with College Safety Officers, shall be responsible for the placement and maintenance of signage at building and restricted parking area entrances where vehicles containing weapons or firearms are prohibited.

Parking

A weapon or firearm may be transported into an unrestricted parking area within a vehicle if the weapon or firearm and its ammunition remain locked in a case out of plain view within the parked vehicle. Certain parking areas on Campus may be designated as areas where weapons and firearms are not permitted. “Case” is defined as a glove compartment or console that completely encases the weapon or firearm and its ammunition, the trunk of the vehicle, or a weapon or firearm carrying box, shipping box, or other container. The weapon or firearm may only be removed for the limited purpose of storage or retrieval from within the trunk of the vehicle. A weapon or firearm must first be unloaded before removal from the vehicle, including when exiting a vehicle to store the weapon or firearm in a trunk or compartment of the vehicle as is permitted by law.

Storage and Confiscation of Weapons or Firearms

The primary place of storage for a weapon or firearm is within a locked case out of plain view within a parked vehicle in an unrestricted parking area.

V. Enforcement

With the exception of legally storing a firearm in a person’s vehicle, the following enforcement guidelines will be in place:

A. Any individual visiting or conducting business on the property of SCC found to have carried a weapon or firearm onto the property of SCC knowingly, or under circumstances in which the person should have known that he or she was in possession of a weapon or firearm, may be banned from the SCC
Campus. Any student found to have carried a weapon or firearm onto the property of the SCC knowingly, or found to be carrying a weapon under circumstances in which the student should have known that he or she was in possession of a weapon or firearm, may be subject to discipline up to and including, but not limited to, expulsion from SCC.

B. Any employee found to have carried a weapon or firearm onto the property of SCC knowingly, or found to be carrying a weapon or firearm under circumstances in which the employee should have known that he or she was in possession of a weapon or firearm, may be subject to discipline up to and including, but not limited to, immediate termination of employment, subject to such other employment rules or regulations in place.

C. Any individual found to have carried a weapon or firearm onto the property of SCC knowingly, or found to be carrying a weapon or firearm under circumstances in which the individual should have known that he or she was in possession of a weapon or firearm, may be subject to administrative action by SCC and possible arrest and prosecution. Violations of this Policy may result in referrals to external law enforcement agencies.

VI. Reporting Requirement

SCC’s Board of Trustees authorizes the President of SCC to promulgate protocols for the implementation of this Policy including, but not limited to, delegating required reporting responsibilities and protocols related to storage and confiscation of weapons or firearms.

VII. Distribution of Information Regarding Policy

SCC Board of Trustees authorizes the President of SCC to promulgate protocols for the development and distribution of information regarding this policy to the SCC Campus Community, SCC Media outlets, and external audiences.

VIII. Definitions

A. “Bullying” is defined as: Conduct by any person covered by this Policy that is intended or that a reasonable person would know is likely to harm students by substantially interfering with educational opportunities, benefits, or programs of one or more students, faculty members or employees, or conduct that adversely affects the ability of students, faculty members or employees, to participate in or benefit from SCC’s educational programs or activities by placing the student, faculty member or employee in a reasonable person’s fear of actual substantial physical harm, mental harm, or emotional distress.

B. A “firearm” is defined as: loaded or unloaded handgun. A “handgun” is defined as any device which is designed to expel a projectile or projectiles by the action of an explosion, expansion of gas, or escape of gas that is designed to be held and fired by the use of a single hand.

Penalties and Sanctions

In order to protect its educational purposes and process, the College has the
authority to penalize or impose sanctions on any student found guilty of the
commission of an offense or breach of regulations, and the College has provided
for certain procedures in cases involving the alleged infraction of college
regulations. Possible penalties and sanctions will be applied by the Vice President
of Student Success & Services.

Penalties and sanctions which require automatic hearings:

**Expulsion**
This sanction is one of involuntary separation of the student from Shawnee
Community College. The separation is permanent in the sense that it does not
project a definite time of eligibility to return. Students dismissed may be assigned
the grade which would be appropriate if they were withdrawing voluntarily;
except in those cases of academic dishonesty, which carry a failing grade as a part
of the disciplinary action. Students dismissed under this code may be reinstated
only upon the favorable action of a petition for reinstatement by the President or
his/her designee.

Penalties and sanctions which do not require automatic hearings but which may
be appealed to the Disciplinary Hearing Committee:

**Suspension**
This sanction is one of involuntary separation of the student from Shawnee
Community College for a definite period of time after which the student is eligible
to return. Students suspended may be assigned a grade which would be
appropriate if they were withdrawing voluntarily; except in those cases of
academic dishonesty, which carries a failing grade as a part of the disciplinary
action. The Vice President of Student Success & Services may establish additional
requirements in individual cases and these requirements must be fulfilled to the
Vice President’s satisfaction prior to reinstatement. In the event a student is
suspended, the student shall be afforded an opportunity to request a review
hearing before the Disciplinary Hearing Committee.

**Probation**
This is a sanction which may preclude the individual from representing Shawnee
Community College in any official capacity such as intercollegiate activities
including athletics or student office and it may include loss of privileges. It is
invoked for a specific period but shall not be less than three months or more than
one calendar year. A student is liable for dismissal or suspension if involved in
any act of misconduct including violation of the terms of probation while on this
probation.

**Reprimand**
This is a sanction imposed with or without loss of designated privileges for a
definite period of time not to exceed one calendar year. A reprimand may include
the loss of such privileges as may be consistent with the offense committed. The
violation of the terms of a reprimand, while under a reprimand, may lead to the
student being placed on probation.

**Disciplinary Procedures**

**Effective Date of Penalties and Sanctions**

All disciplinary sanctions specified in this code will begin:

1. When the appeal period has expired.
2. When the student has waived his/her right to appeal by not initiating appeal
   action within the time limit.
3. Upon the completion of an interim suspension by the President.
4. When specified by the final educating body.

**Instructor authority to remove students from classrooms**
An instructor may temporarily remove a student from a class if it is determined
by the instructor that the student's continued presence would unduly disrupt the
learning process or endanger the physical wellbeing of other persons willfully in
the area. If feasible, a temporary removal of a student from a class should be
communicated orally and in writing simultaneously to the student. The reasons
for the removal action should be clearly stated. If prompt action makes it difficult
to communicate orally and in writing simultaneously, then such removal should
be followed by a written communication as soon as possible. All such incidents
must be reported to the Vice President of Student Success & Services and the Vice
President of Academic Affairs & Student Learning in writing as soon as possible.
Any student removed from a class may be readmitted to that class only by the
Vice President of Student Success & Services. Under normal circumstances Vice
President of Student Success & Services will render a decision within 48 hours.

**Authority of the Vice President of Student Success & Services to impose
penalties and sanctions**
Formal disciplinary action shall be instituted against the student after it is
determined that such action rather than medical or counseling referral is appropriate. The
sanctions outlined below may be imposed upon a student by or in the name of Shawnee Community College as stipulated by this code.

**Temporary suspension from class**
The Vice President of Student Success & Services may temporarily suspend a student from a class for a period not to exceed ten consecutive school days if the student is reported by an instructor to be guilty of an offense as outlined in Section I or II Offenses. Such temporary suspension may be a prelude to the imposition of formal penalties or sanctions as indicated below. The Vice President of Student Success & Services may take this action with or without the opportunity for the student to make up missed classes, work, and assignments. In the event a student is suspended, the student shall be afforded an opportunity to request a review hearing before the Disciplinary Hearing Committee.

**Formal penalties and sanctions**
The College President may impose the following penalties and sanctions: expulsion, suspension, probation, or reprimand.

**President's authority to impose interim suspension from the College**
If the presence of any person is an immediate and serious threat to the persons or property willfully on Shawnee Community College's campus, the President of the College or his or her designee may impose an interim suspension from the College against any person in cases in which there is reasonable cause to believe that such person has created an act which is in violation of the offenses listed in this code of student conduct. A person so placed on interim suspension shall be given a prompt notice of charges and a hearing before the Disciplinary Hearing Committee within ten calendar days after the imposition of the interim suspension.

During the period of interim suspension persons shall not, without prior written permission of the President or his or her designee, enter or remain upon the campus of Shawnee Community College other than to attend his/her hearing. Violations of any conditions of the interim suspension shall be grounds for dismissal from the College.

**Sanctions against student organizations**
Sanctions may be imposed by the Vice President of Student Success & Services in the case of offenses by student organizations as follows:

1. Temporary or permanent suspension of chapter recognition.
2. Loss of privileges of a recognized organization and the use of Shawnee Community College facilities.
3. All sanctions against student organizations may be appealed to the Disciplinary Hearing Committee. Organization representatives should file a
written request for a hearing with the Vice President of Student Success & Services.

**Hearing Committee**

1. The Disciplinary Hearing Committee shall have original jurisdiction for hearing all disciplinary cases in which the sanction should be disciplinary suspension or disciplinary dismissal from Shawnee Community College. This committee will also hear all appeals involving all other sanctions except temporary class suspensions and interim suspensions from The College. The Disciplinary Hearing Committee shall be comprised of four members of the Student Success & Services Committee and one Student Senate member.
2. The Vice President of Student Success & Services shall establish such administrative procedures as will enable the committee to carry out its duties.

**Appeals**

Right to Appeal:

1. Students and student organizations have the right to appeal decisions in all disciplinary cases. The appeal must be made in writing to the Vice President of Student Success & Services within five college working days. A hearing must be held within ten college working days of receipt of the notice of appeal.
2. While an appeal is pending, all sanctions imposed, unless a temporary class suspension from The College has been ordered, shall be held in abeyance and the student’s status on campus shall in no way be affected.
3. As briefly stated, all sanctions involving expulsion or suspension are automatically heard by the Disciplinary Hearing Committee.
4. Other sanctions may be appealed to the Disciplinary Hearing Committee on written request to the Vice President of Student Success & Services.
5. Final written appeal for the sanctions of expulsion or suspension may be made within five college working days to the President of The College and the Board of Trustees. The President must respond to the appeal within ten college working days. The Board of Trustees may or may not respond within thirty college working days.

**PARKING AND TRAFFIC REGULATIONS**

**Purpose and Enforcement**

Section 1-101 - Purpose:
The regulations and monetary charges listed below are for the purpose of providing and maintaining a safe and uncongested means for the movement and parking of vehicular traffic on the campus of Shawnee Community College.

Section 1-102 - Effective Date:
These regulations are effective for Shawnee Community College from and after August 19, 1987.

Section 1-103 - Enforcement:
It shall be the duty and responsibility of all campus security officers employed at the College to enforce these regulations.

Coverage and Definitions

Section 2-101 - Coverage:
The regulations contained herein shall apply to all motor vehicles, and users thereof, coming upon or parking on the campus of Shawnee Community College. Any person who operates or parks a motor vehicle, or owns a motor vehicle which is operated or parked on Shawnee Community College property, accepts the obligations for monetary charges imposed by these regulations.

Faculty, staff, and students are responsible for knowing the regulations governing the operation of vehicles at Shawnee Community College, and will be responsible for any violation thereof.

Section 2-102 - Illinois Vehicle Code:
All laws of the State of Illinois concerning vehicles and their operation, including but not limited to the Illinois Vehicle Code, are hereby incorporated in these regulations as if reproduced herein in full. Pursuant thereto, the position of signs regulating traffic and parking by the Security Office shall be deemed to have been duly done by local authority as therein defined.

Section 2-103 - Speed Limit:
The speed limit on campus roads, drives, and parking lots shall be 15 miles per hour.

Section 2-104 - Obedience to Traffic Signs:
Every person shall obey the instruction of any traffic control device, sign, or notice, unless otherwise directed by a traffic control officer.

Every vehicle parked in designated areas must display a Shawnee Community College parking permit. The parking permit should be displayed on the back left bumper or the left side of the back window.

Section 3-102 - Authorized Parking Space:
Parking in any location, other than an authorized parking lot, constitutes a violation of these regulations. No parking is permitted on any campus driveway unless otherwise directed by a traffic control officer, other appropriate college administrators, or by duly posted signs.

3. In the marked loading zone for a period longer than the allotted time.
4. On or over the yellow line or outside the lines of individually marked parking spaces. The fact that one motor vehicle is parked in such a manner as to occupy more than one parking space is not an acceptable excuse for another operator to do the same.
5. On walks or grass.
6. In a driveway unless marked and posted.
7. So as to block a crosswalk.
8. So as to block cars legally parked.
9. In areas designated for faculty and staff unless so authorized.
10. By backing into a perpendicular parking space.

No person shall park a vehicle:

The Vice President of Student Success & Services, or his/her designee, shall have authority to impose a monetary use charge as outlined below:
1. Five dollars for all violations except handicapped.
2. One hundred dollars ($100.00) in all parking violations involving handicapped parking spaces.

Any student who fails, refuses, or neglects a monetary use charge as set forth in these regulations will be subject to an administrative hold being placed on that student’s registration, or the withholding of grades or transcripts until such time as the amount is paid to the Bursar’s Office. Repeat offenders may be expelled from the College.

Section 4-102—Payment:
