  1. Mindy Reach suggested the council review the Committee Charge since it has been a few months since the council met.

2. Mindy Reach read over the committee Mission/Purpose and the Scope of Responsibility.

4. Tammy Capps asked about the policy pertaining to Satisfactory Academic Progress and where it is in the review process. She needs to check on it before they move part of it out of policy and make it procedure. Tammy wants to make sure that any changes we make keep us compliance with federal regulations.

- **Review Policy Revision Survey Results for 8150, 8151A, and 8158**
    1. The council reviewed the first Admissions Policy on the list, Policy No. 8150, General Admission Requirements.
    2. The council agrees that the language in the policy should be the same as it appears in Public Act 86-0954 and to remove the last line that states "College credit may be awarded through the College Level Examination Program (CLEP)."
    3. The council went through the policy review survey together, as a group.
