There were no additions to the agenda.

IV. Old Business/Items for Discussion
a. SCC Community Education
Lindsay Johnson was not present to give a report on Community Education.
b. Career Expo on November 3, 2022
Teale reminded the team that the Career Expo will be here soon. We want this event to be different than the Shawnee Experience because the same students will be on campus for both events. We will have the Juniors and Seniors from all 12 of our district high schools attending this event. Teale has funding to reimburse the high schools for their transportation expenses to bring the students to campus. This event meets a requirement that the high schools have for their students to follow the Illinois PaCE

Framework. The Career Expo will consist of 3 parts: Career Expo, Career Coach, and SCC Programs.

V. New Business

The team reviewed the committee charge and discussed what we think we need to be doing meet the charge. The areas discussed were the food pantry, clothes closet for professional clothing, back to school supplies and games/activities. Kevin Hunsperger said that he has begun a conversation in Cabinet about a campaign called SCC Cares to fill some of these needs. There will be more information on these items at the next meeting.

Adjournment

The meeting adjourned at 2:53 pm.

The next meeting will be held on September 22, 2022 at 2:00 pm in the River Room and ZOOM.
