Agenda Items:

I. **Call to Order**
The meeting was called to order at 10:07 am by Mindy Reach, Chair.
A quorum was present.

II. **Approve Minutes of November 8, 2022**
A motion was made by Mindy Ashby, with a second by Amber Suggs to approve the minutes as written. All voted in favor and the motion carried.

III. **Items for Discussion**
   a. **Update on Admission Policy**
   Mindy Reach announced that this policy has moved through the process to the President's Office.

IV. **New Business**
   a. **Policy 8151A**
      - Mindy Reach stated that this is a policy and it is in the college catalog, but she doesn't know if we are necessarily following it.
      - The current policy sets current enrollment limits and we have procedures in place if students want to go beyond those limits.
      - Teale Betts commented that there are several Dual Credit opportunities that our high school students can take that will

put them over the enrollment limits.

- The council discussed the different arrangements we have made with the high schools in our district for Dual Credit, Dual Enrollment, Escrow and Early College credit. This will need to be considered when writing this policy and procedures.
- Blake commented that this policy must have been written before Dual Credit became what it is today.
- Mindy asked if we should define how we classify students as a freshman or sophomore. Is it by the number of credit hours they have completed, or by how long they have been out of high school? Teale added that, for scholarship purposes, other schools view students who are coming in right after high school graduation as freshmen, regardless of how many credit hours they have.
- Mindy will meet with Darci tomorrow to get her thoughts on how she thinks these procedures should go.
- Mindy will also look at ICCB and HLC to see if they have any regulations on this.
- Danielle made a motion to table this discussion until the next meeting when Mindy should have Darci's thoughts and ICCB regulations on this issue.
