IV. Items for Discussion:
- Rob Lucas talked to the team about hosting a LGBTQ+ VR Museum experience at the college for Southern Illinois. The VR Museum was created in Britain and is a one of a kind experience. The starting cost of the museum is $5,000 and has additional tiers to purchase. Rob suggested reaching out to area LGBTQ organizations to see if they would help offset the cost of bringing the museum to the college.
- Donna asked if the College could have an Angel Tree for students this year. After some discussion, the team decided to move forward with this project. Felicia suggested speaking with Kevin to get fliers to seek students who could use some help this holiday season.
- Felicia suggested getting a list of students who attend the College that are not going home for Thanksgiving, so we can provide meals for them over the holidays.
- During finals week, we are going to grill hotdogs for the student body. A date will be set at a later date.

V. Other Business: There was no other business discussed.

VI. Adjournment: Jackie motioned to adjourn and Karen seconded it.
