Student Affairs Council Updates - Mindy Ashby & Jeff

The two policies will undergo further review (A3000) and (A3200).

DEIB Council Updates - Jennifer Watkins

The Council has been working on the Culture of Fair Treatment Policy, HLC Assurance narrative, and final review of the Institutional Effectiveness (IE) procedures. The Cultural Awareness Team provided weekly activities in the month of February for Black History Month. The Employee Relations Team is planning employee appreciation activities for March.

Administrative Services Council Updates - Lindsay Johnson

The Council has reviewed the IE procedures. Dr. Teske noted the midterm verification for reimbursement process has been clarified. A5000 is still being reviewed by the Business and Finance Team (BFT), while A6000 and A7000 will be presented at the March Executive Council meeting. The BFT approved raising the threshold for Vice Presidents approval for requisitions from \$3500 to \$5000. Both the Facilities Team and BFT are working on their areas for HLC.

VI. Animals on Campus A4900.35 - Dr. Taylor - DEIB

Dr. Taylor referred this policy back to the DEIB Council with the following suggestions:

- Restructure language to be more positive.
- Capture of value statement.
- The policy/procedures should be affirming, achieving a balance between safety and mental health.

Lorena made a motion to approve A2000 policy with some minor formatting changes (to be consistent in font, acronyms, etc.) and an update to wording to include learner-focused and the college “as a whole”. Mindy Ashby seconded the motion and the motion carried.

Dr. Taylor expressed that the culture of learning should extend beyond the classrooms, and into the Board, meetings, etc., and asked, “are Faculty leading the charge of this culture of learning”?

Lorena made a motion to approve A2100 policy with some minor formatting changes (to be consistent in font, acronyms, etc.), changing from Curriculum Quality to Curriculum Excellence, and an update to language to include alignment with business/industry/universal standards. Mindy Ashby seconded the motion and the motion carried.

Lorena made a motion to approve A2200 policy with some minor formatting changes (to be consistent in font, acronyms, etc.), the addition of conditional statements and links to the College website rather than listing each real-world experience. Jeff seconded the motion and the motion carried.

IX. Executive Council Review of Criterion – Ginger

Ginger expressed the need for this Council to review the assigned HLC criterion. Members divided into small workgroups; assignments follow. Reviewing the previous 2018 submission, crosswalk information and watching related videos to identify gaps in what was previously written will assist in providing more context and “operationalizing” our argument. Also, please ensure that our Values are reiterated. Ultimately, our 2026 Strategic Plan will be refreshed with language via the Shared Governance Board Policies.
