III. Additions to the Agenda

Dr. Taylor added Shared Governance Manual Updates.

The task of reviewing/updating the Shared Governance manual was mentioned in previous Executive Council meetings. Council chairs were asked to seek input from their teams regarding changes, etc. In the past, Tina has worked with the Vice Presidents (VPs) to make edits. Other updates include:

- Change in wording from Procedure to Operating Standards to better define and indicate inclusivity.
- Meeting Time Changes based on faculty scheduling, may shift to the noon hour.

Noteworthy: Council and Team members are vested in their roles; some members may feel stronger in serving on particular teams; and edits to policy standards can always be added to an upcoming agenda.

Items Requiring Action:

Tina will work with the VPs on edit suggestions and bring those to the June 27 Meeting.
