        1. Black History Update
            a) She will be flying in at Nashville or St. Louis. She does not like small planes.
        2. Extension Center suggestions
            a) Reaching out to the Extension Centers on what they have or planned to do. Could we do a fall fest for the extension centers? Possibly collaborate with Erin to coordinate those events. Whatever we do on main campus, needs to be done at the extension centers.
            b) Possibly do the hunger awareness at the extension centers. The VPs could go to the extension centers to serve.
            c) November 20th, 2024 is the day of the event (National Homeless and Hunger Awareness week). Let Connie know what were doing for the students. Have someone from SNAP to explain how to get food stamps.
            d) Feed the Need is a thing that ICCB does. From 10/14 to November It is a competition around the state for community colleges to collect food and and send what

they've gotten to ICCB. Though we are off Monday, we can kick off with it Tuesday with social media, podcasts, etc.

e) Kevin will talk to Brandy about Amazon and how it works. We can have a wishlist of what's needed. This is so people don't drive, nor would they have to guess what the students may need. We could have a table on main campus and the extension centers on what they want to eat.
f) Kevin will also talk to Connie about what we're serving and how she could accommodate with that. We sell burgers and she sell fries, etc. Involving Bernie's place, "Spin the wheel, win a meal".
g) We will then ask Dwayne and Blake to help with cooking the burgers.

3. Neurodivergent
