The logo for "Shrek The Musical" is centered on a dark blue background with a bokeh effect of light blue dots. The word "SHREK" is in large, 3D, lime-green letters. Below it, "The" is in a smaller, gold, serif font, and "MUSICAL" is in large, gold, serif letters. To the left of the "S" in "SHREK" is a small white icon of a dragon. Above the "S" is the DreamWorks Theatricals logo, which features a white silhouette of a person fishing under a crescent moon, followed by the text "DREAMWORKS THEATRICALS" in a small, white, sans-serif font.

To my Senior, Gabi, I am so proud of you and all that you have accomplished and will continue to accomplish. Let God be your guide and know that my arms are always open for a hug. To my Middle Schooler and middle child, Kati, I am thrilled at all the things you have overcome. To see you on stage and to light up when you act, dance, and sing brings my heart to life. Never let anything stop you because you can achieve your dreams and always let God be the guide. To my littles of littles, Hannah, I swell with pride when I see you take after your two older sisters, fearless and kind are two words that come to mind when I see you, on stage, doing your thing. May you never be afraid to be who you are meant to be and always listen to your heart because that is where Jesus is, and he is leading you down the path you are meant to be on. Mamma loves all three of you, with all my heart. Jesus loves you and so do I.

Gins - We love you beyond the curtain, beyond the stage, beyond all measure.

We are your biggest fans!! We are so proud of you! Love always & forever, Mom & Dad

Amazing dedication from the entire Shrek team! Your creativity and hard work truly shine on this stage.

Thank you, SCC, for continuing 33 incredible years of providing art opportunities for our youth. We're honored to be part of a community that values the arts and nurtures the talent of future generations.

Eva Catherine Meisenheimer,
Your passion, talent, and hard work continue to inspire everyone around you. We are so proud of all that you've accomplished, both on and off the stage. Keep reaching for the stars, and know that We'll always be cheering you on.

With love and pride,
Mom & Pop

DIRECTOR'S NOTES

Sing a song, it's a travel song.....

Because we've been on a journey to bring you tonight's production of Shrek the Musical!

Starting all the way back in August our cast and crew have been working incredibly hard on learning choreography, memorizing lines, building set, making costumes (looking at you Duloc), and so much more to bring this show to life on the stage of Shawnee Community College. I could not be more proud of the show we have put together for you tonight.

The magic on stage could not happen without the talented team of people that I have been so fortunate to work with since 2016.

Brad & Chris - Set Design & Props Master extraordinaire! I'm forever grateful you take my drawings and make them into something people want to look at.

Lindsay - You make tapping look like a dream, makeup look easy, solve costuming catastrophes, and are still my BFF even during tech week. I won't let you go!

Julie - Fielder of all the questions, costume problem solving pro, organizer of all the things. I'd be lost without you.

Adrian - Our behind the scenes organizer. List upon list to keep us all organized. The extra mile you go is what makes our lives easier. It's also a nice touch to work with my husband :)

I am so blessed with the BEST volunteers on the planet. I will forget someone if I tried to name them all, but my downstairs moms, concession stand workers, costume makers, makeup artists, dress rehearsal feeding crew, projectionist/voice of calm in my ear, backstage help, and more is who make my world go round from August to November.

My journey in SCC Theatre started as a student in High School Musical *alllllll* the way back 2008. We've seen many changes over the last 17 years, but there's been one thing that hasn't changed: The fun that is had in this room, while putting together these shows, creates life-long memories for everyone involved. I'm thankful to still be a part and continue to help bring theatre magic to Southern Illinois, right here at Shawnee Community College!

Let your Freak Flag Fly,
Clarissa Fox
